.......THANK GOD FOR MARJORIE TAYLOR GREENE..... This isn't something a centrist like myself says everyday... It's kind of like hearing a black man such as Kanye West singing, "Nigga', Heil Hitler!"..... but Kanye demonstrated his point if a person actually listens, not just reacts.

****** Why is Marjorie Taylor Greene the only Republican watching out for our asses?*** https://youtube.com/shorts/6zuz5VZ-yKY?si=EFmYTUh2kAz-nMEL

Marjorie is 100% correct! She's the only Republican not preoccupied w/petty, revenge agendas against the ***perceived*** left which allows Backwoods Republicans to be manipulated by Jews who've been undermining them for years until Jews needed them when blacks went PLM.

**** Marjorie having something in common with the following two Democrats is not a mutation. It's just normal, white people prior to a massive Jewish indoctrination movement upon Gen X who were dumbed down & taught to vilify their ancestors while never thinking about what they were really saying– just blind Jew-pandering was proof to moral on intellectual superiority .** ***https://www.instagram.com/reel/DOI1m9BDykc/?igsh=M2E2OHZoMmhjZXNj***

.... ***Let me get this straight,*** so it's with the founding father's monuments, but keep the Annenbergs & the Pulitzers— ***what a joke!*** The only bigger joke would be Joseph Pulitzer's hillbilly wife who couldn't tell he was a Jew and didn't know it until after the wedding— *but enough with the digressions.*

**** Marjorie isn't going to serve as a dupe for the Jew's "**Redneck is the New Black**", musical chairs **NOR** some Jew-indoctrinated, Gen X, pseudo-intellectual mediocrity that belongs in a diversion program!..... **She'll tell it like it is!** https://www.instagram.com/reel/DMdGuVSxd3V/?igsh=MzNkbmRnbGhqcnV2*

POINT OF FACT: *The only way that a bunch of angry, old white men & Redneck boys could become "bleeding hearts" for Jewish Supremacy overnight whilst walking right into the hands of their saboteurs would be to make them forget the source of their rage**— if they even realized it to begin with.***

*......This begins by immediately tapping into their weaknesses which naturally falls to appealing to the "sick man" of the Republican party, **ie.,** the low-grade, Scofield Bible Evangelicals who drove out all the cowardly moderate once Jews began uplifting trash & engineering white vilification tactics in the 1980s.*

https://www.instagram.com/reel/DKRqD4SSONQ/?igsh=OXZqZ2Z4eTJxYjlo

***Meanwhile**, Bill Ackman created the **misdirect** by making Claudine Gay's refusal to suspend the student body's right to protest into a race issue which in itself is blatantly racist.*

***.......** In other words, his goal was to stir up angry, old white men who felt that DEI had been taken to an extreme (**wonder why?)** & used as a weapon against them. Of course, Bill rabble-roused & gleaned a few white supremacists in the process who began to actually look towards a manipulative, Jewish supremacist as their savior without seeing that they were just his chess pieces.*

...... But that's what happens when you don't stand up for yourself?? This is why Rupert Murdoch is standing up to Trump and why Marjorie Taylor Greene won't stand for being morally gaslighted by people playing the victim when in fact they are the bullies..

NEWSFLASH!!! Evangelical Christians are intellectually deficient nutjobs easily manipulated by Jews & their idiot panderers!

Iran arrested an entire sect of Christian Evangelists.

This evangelical sect regularly visited the Turkish city of Izmir to meet with American pastor Brian Adams.

He brainwashed them to put Israel ahead of Iran and carry out sabotage.

*** So it seems that moronic & psychologically unhinged Evangelical Christians are a danger to society wherever they go, not just inbred South Carolinians.

Listening to that newsgirl is like having to hear the obnoxious, Jewess– Sarah Silverman— give Jew-filtered news while playing the victim & acting like everyone else is gaining up on them because that's what Jewish bullying is. The only thing worse is Dennis Prager who will serve as the opening to my "Jews Are a Hate Group" mega email.

ATTENTION ADL: Much of what they call Israel today, few Jews have an ancestral claim to because Judah & Israel was all Canaanite before them and Palestinians are the Canaanites' unbroken chain of ethnic inheritors just as the word Palestinian goes back to the time of Herodotus in the 5th century BC..

Additionally, the area to the south around Ashkelon was Philistine & as I've learned from my Harvard excavation, MANY Ashkenazi Jews refuse to embrace their Middle Eastern Heritage no matter how Jewish they look to me.

…. But in doing so, they've ultimately denied any contrived, ***right of return*** to the land which is what the country is based upon. On the other hand, there are many people who have no business being in Israel & calling themselves Jews at all. These people are proof that not only are Jews siphoning questionable funds to Israel, but they're literally siphoning non-Semitic people with a Jewish label on them.

Meanwhile, der Juden attacks European people as being anti-Semitic for not accepting them as Europeans & despite the word Semitic being an ethno-linguistic, Middle Eastern group. In other words, Jews belong on medication **OR** in a diversion program **OR** in a ghetto, **NOT** in a fake Homeland & left to their own devices to bully people in a ***transcontinental capacity***……… ***It's the international Jew & the eternal Jew all over again.***

SPEAKING OF INSTITUTIONAL HARASSMENT & JEWISH TERRORISM: ***Enter*** **the deranged Shabbos Kastenbaum who is your archetypical whiny, hustling Jew wimp EXCEPT for the fact that he's an ethnic imposter who doesn't even bother trying to look the part because that would be anti-Semitic as opposed to the definition of it.**

….. This head case, who's suffering from a severe case of cognitive dissonance, doesn't understand that he cannot identify as an ethnic German and then turn around and make an ancestral claim to a Middle Eastern part of the world from 2000 years ago. He's literally like a white person who claims to be black AND claims black as a culture, not a race yet wants to make a claim to Liberia.

… Shabbos doesn't understand how this works. Just like he doesn't understand that Jews have no claims to Europe any more than Balkan Turks have to the Balkans or gypsies to Europe despite their current, hellacious maneuvers & emboldened entitlement which is attempting to dictate that the white man uplifts them & takes personal blame in terms of their illiteracy rates

…… Note, this lack of accountability is especially interesting considering that gypsies harken from the lowest caste of India who invaded Europe during the Middle Ages. The only thing they deserve is a one-way ticket back to India so that they can be India's problem.

Shabbos is like Steve Martin in *The Jerk* as he doesn't understand that he doesn't look like the ethnic, Semitic Jews who've surrounded him his whole life being that real Jews are the descendants of a transplanted, invasive, Middle Eastern splinter group who were kept in ghettos to prevent abominations like Shabbos from being born out of native whores looking for a meal ticket & predatory Jews with a taste for white women & a distaste for Jewface.

https://youtu.be/wS_wpd4IzXU?si=3xi2skKUi9cRtYvf

……When I see this low-life, bullshit artist & go-nowhere, Divinity school student hustling Harvard and making a living off of posing as an activist then I can honestly say if someone were to shoot or bludgeon Shabbos to death it would NOT be a hate crime, just an act of self-preservation & counterterrorism against a terrorist-hustler who belongs in a diversion camp and NO amount of bogus portrayals to make me look like the extremist can hide this… In other words, let's unskew the national perspective & take back out minds.

……. ***Meanwhile, if the Jews & Israelis want to ethnically cleanse Palestinians,*** **then start by exterminating faux Ethiopian Jews, faux Mongoloid Jews & faux Indian Jews and white whores OR the products thereof,** ***ie. race traitors with an identity crisis like Shabbos Kastenbaum. More Importantly, where's my pro bono, Jew lawyer— or Tom Gober's Good ole boy ones: **NOTE,** I still don't have an attorney to go after Marc Rowan who's the bagman for Leon Black & their $430 billion fraud scheme among 45 U.S. insurers whose ill gotten gains go towards bilking universities for not suppressing Israeli's human atrocities.

… The final slap in the face is that Marc's portrayed by the Jewish media as the defender of humanity, ***along with his accomplice Jonathan Greenblatt of the ADL,*** which makes me wonder why we're not closing down Jewish, sham activism storefronts as opposed to harassing institutions of learning.

Probably because every shyster-activist, Jew attorney like ***MARC "WATCH YOUR BACK BITCH" KASOWITZ*** throws pro bono work for some low-life, Jew wimp with no real future like Shabbos who was trying to rustle himself up a fake, parasitic career— ***BUT NOT FOR JEWISH CORPORATE TERRORISTS WHO FUND JEWISH SUPREMACY & SILENCE ATROCITIES…That's just how they think.***

…… ***So the same Jews who've always encouraged white hate & police hate by elevating black thugs to use as wrecking balls didn't take too long in terms of removing the mask once blacks went PLM***.

…… ***Let's face it***, it **HAD TO BE** a respectable, black youth to call Jews out because it wouldn't have carried any weight otherwise. His young mind has absorbed a lot in terms of witnessing what is a ***crystal clear*** display of Jew TV inspiring white hate & pitting black and white against each other… I'm not sure if he's a whistleblower or someone who just said, ***"the emperor has***

no clothes, just a big Jewish nose and an obnoxious foul mouth with a need to control us all."

Also, let's not forget that I was harassed outside of the Jew York Times building on a public sidewalk by security guards who exited the building and got up in my face for talking to pedestrians about corporate fraud and this was PRIOR TO October 7th 2023. Clearly, these security guards don't know their place & they're too ignorant to report to journalists on what they saw on my billboard of a picket sign

…. INSTEAD, ALL WE HEAR ABOUT IS THE SANCTIFICATION OF THAT LIMPDICK LOSER & OFFICE SNITCH, SHABBOS KASTENBAUM, SIMPLY FOR OBJECTING TO A VERY LONG OVERDUE PICKET SIGNS THAT DRIPPED WITH TRUTH. .. AT THE END OF THE DAY, IT'S SHABBOS AND NOT VIRGINIA GUIFFRE WHO SHOULD HAVE KILLED THEMSELVES.

BOTTOM LINE: Palestinian genocide is very much like what the Russians were doing to the Ukrainians in the Holodomor which my AP History Professor in high school refused to acknowledge as genocide because it didn't involve prison camps, just starvation. ***KNOCK, KNOCK anybody home!!!*** Everybody living in the same location is the very definition of ***concentration***. Let's drop the pretenses......Jewish disinformation from Israel is no different from Jewish disinformation in America as I've been saying since I was a child in the '80s.
https://www.instagram.com/reel/DLXhPeTRnbo/?igsh=YXM5bGR6bmE5OWp6

I remember talking to a Palestinian kid back in 2009 about this and he was amazed that an American actually knew these things being that everyone in this country seemed to be preoccupied with pleasing Jews no matter how irrational it was & it was even to the point that everyone put Jews before themselves in a self-congratulatory way. He then mentioned that they don't really show you on the news what's really going on over there.

….. I believe it's safe to say that what he meant was that Jews weren't't concerned about running the risk of vilifying Palestinians like they do white America who are portrayed as being the main perpetrators of Asian hate crimes. ***Meanwhile in the USA***, Jews hide their scams in plain site simply by dumbing & berating everybody down .

****** How do you make peace with this?…. What they do in the USA is more under the radar as even Dolly Parton had observed just before being attacked by the ADL instead of having a defamation & harassment case on her hands…***

….. Note, an elderly, Israeli women had attempted to take out Netanyahu by attaching bombs to her dying body. If only we had more selfless people like her who'd be willing to pay a visit to the ADL.

……Likewise, Elon Musk had even admitted that he was aware that Jews generate the hate that they claim to rail against… It's the Jewish, hero-homicide scam. How do you live with this? ….. ….. In other words, goyim idiots & accomplices don't care about Jews, they only care about showboating them like a trump card in order to look like "the good guy", but a "good guy" who's clearly pandering for deep pockets which Jews have ZERO problem with being that everything these panderers are doing is within the Jew's desired effect—- not our own best interests— and overtime it's becomes normalized & real to the pseudo-intellectual, middle-American trash it caters to who in turn cater to them.

__NEWSFLASH__!

- **Reverend Warnock is more like your traditional, white person compared to the middle-class, White assholes of today who've been dumbed-down on Jewish, victimology & overcompensating , white-guilt that drives them to do things that don't make sense such as allowing people to get away with murder because if you don't, you're an anti-Semite… This is an institutionalize mind, mind you!**

……But this is what happens after Jews lay in wait for 40 years chipping away at a peaceful society by using Jewish victimology as their bulldozers & Jonathan Greenblatt as its IDF. *Now we have Gen X— the wasted generation— until the student protesters saved us from ourselves.*

- **Jews aren't like the Russians & Germans who kill off the upper classes of whomever they're conquering. Jews go for dumbing-down the MIDDLE-CLASS typically by targeting their self-perceptions. It's psychological warfare. This is followed by weaponizing underdogs who typically are not worth it..**

……. This is how we got to the Republican party that we have today ***being that*** the Democratic party PRE-October 7th 2023 was more concerned about normalizing transsexual abuses, martyring the low-life George Floyd, coddling border jumpers, sanctifying E. Jean Carroll & pushing critical race theory being that Jews love to pretend to give a shit about people other than themselves in order to undermine the mainstream along with law & order whilst lowering the prestige of decent people with their specialty being to make societal vermin into a persecuted race issue instead of a vermin issue..

… ***THAT*** Democratic party— *controlled by Jews*— has flown the coop, but the new Republicans are largely clueless trash as the Jew now taps into their Scofield Bible & revenge tendencies being that this is what the Jew does. Likewise, Bill Ackman is making a student's right to protest & the sovereignty of a university faculties right to govern objectively into a racial harassment issue ala Claudine Gay & a hedge fund hyena overthrow.

- ***Reverend Warnock isn't consumed by coddling transsexuals & untraditional minority groups to make them feel like "real" Americans because he's not stupid nor crazy like most fake & pretentious, pseudo-intellectual, overcompensating, white people are today. There's a simple reason for this and that is the fact that black people weren't the target of Jewish hate until they went PLM.***

......*Prior to going PLM*, black thugs— *not Ivy League students*-— were mere pawns for Jews who dumbed-down white people who publicly supported this farce in order to prove that they were good people because we're supposed to believe that middle class, White & Yellow America would really invite George Floyd over to their house.

This is the snowball effect of ***"I Dare you to Prove to me you're the nice guy"***, psychological warfare***. Again, I have always been WOKE to the Jews' game.***

..... Bill Ackman, thus huckster tries to create the narcissistic illusion that he's put an end to those days by attacking DEI as opposed to it being an extension of his Jewish, hero-homicide ruse which is enabled by his cronies.

- ***AGAIN, this is why we need a Counter Semitic Terrorist Watch Group.***

.....***Remember,*** Jews have become the moral center or ***anchor*** of Gen X's own maladjusted, moral compass which we all know is rife with double-standards & anti-Semitic hysteria despite not even knowing what it is. The result has been brainwashed, social-climbing simpletons patting themselves on the back as they work against their own best interests in order to showboat what they insanely believe to be noble & cosmopolitan, non-racist behavior instead of seeing themselves as the white-hating, pseudo-intellectual, offensive ignoramuses which they truly are.

Marjorie Taylor Greene has proven how immune Americans are to this bizarre behavior. This is what Jews have psychologically normalized & now want to legislate it in order to lock down their years of diligent & corrupt work in terms of mentally enslaving US citizens to the point of making the other 98% into agreeable, second-class citizens. Obviously, this is a more passive-aggressive version of what they've been doing to Palestinians. Even more clear is the fact that AIPAC & those afflicted by JEWISH PERSONALITY DISORDER serve as foreign agents to Israel.

.....***Now for the latest development,*** trend-sucking– ***yet still Jew-indoctrinated-***– white, Gen X, faux progressive thinkers are going anti-WOKE which is just another word— ***like Semitic***—that they don't understand... But alas, backstabbing, desperate Housewives have to keep up with the times & Jews know how to tap into the insecurities of these idiots better than I ever could. Like I said, Jews know how to pit people against each other which includes pitting them against their individual selves.

.... ***Don't kid yourselves,*** this all a product of ***PSYCHOLOGICAL WARFARE***, but the Jew evades accountability by labeling it as an anti-Semitic trope.

~~~~~~

......For instance, highly-divisive restitution campaigns not unlike the stunt Simon Cataldo tried to pull on Harvard by targeting its financial foundations.

..... Always expect the Jew-founding of some bogus, sham "activist-educator", faux academic STUDY OF HATE center in which the head Jew plays the cool, dispassionate intellectual who studies the science of hate from an arms length while passing some bullshit diagnosis on the rest of us after pissing us off thoroughly & bringing things a boil

...... It goes without saying that none of these diagnoses include Jewish, hero-homicide scams & victimology chess moves... (USC's Brian Levin comes to mind as he is the star of an upcoming email of mine which has been sitting in my wood pile of future emails.)

Ultimately, if Jews want to play the defender of humanity by going after the white man & expansionism, then they have to go after themselves which they'll never do.

...... ***Hence***, Post October 7th 2023 we no longer hear about slave restitution in the news as the Jew vies to create the illusion of radical leftists having taken over the country whilst perpetuating lies to maintain the victim card & inspiring the redneck right with the illusion of needing to hold the line strong against the ***enemy within us.***

……You know what they say— *those who control the mob, control the country….* ***Donald Trump only has one kind of mob, but Jews know how to play musical chairs with a "mobocracy"***

… Since October 7th 2023, I feel like I can breathe and it has nothing to do with Trump's war on DEI and everything to do with an invisible hand of apartheid being pulled away that was maintained by pitting people against each other. As George Birnbaum would say, we now know who the enemy within is and it's unified people.

…… In other words, the enemy within has NEVER been the student protesters who Jews couldn't dumb down. It's always been the Jewish hand & the Jewish personality disorder that's been attacking & berating, the white middle class— *especially those most closely tied to this nation's forefathers. As of now, I just have to point out to the redneck boys not to walk into the hands of their saboteurs.

It's nothing but a blocking tactic.***

The end game with all this sham activism ***AND*** the quest for a common enemy has clearly been to mentally enslave the white man with white guilt thus keeping them jumping through hoops, ***after also tricking them into internalizing the Holocaust***, even if it means enabling Jewish depravity & becoming a conspirator to dishonest, marketing schemes that relinquish the Jew from all accountability in order to prove that you're "***not the bad guy"…… THAT is the definition of an institutionalized mind.***

……***But with me***, the truth has always set me free as you can read in the above repeated link …. I knew what I was dealing with even as a child in terms of most Jews . https://www.forbes.com/sites/traversmark/2024/01/24/a-psychologist-breaks-down-the-phenomenon-of-dark-creativity/

….. If any Jew wants to call that an anti-Semitic trope, then arrest them!…. No one is suffering from a collective delusion **OR** scapegoating here **AND** anyone who doesn't see this **OR** who objects to it because they want to showboat what good people they are, ***then put them in a diversion program.***

….. Why don't a bunch of ACLU, Jew lawyers fight for Palestinians who were kicked off their land by Jews—- AND STILL ARE??……OR have they found some legal loophole around an actual conscience OR are they just proving to us that they've never acted in good conscience to begin with?……

… According to Quora— aka "the mothernest of half-truths & disinformation"— Israelis justify their actions by talking about how horrible Arabs were to Jews for centuries. You know, despite the Moroccans being forced to look after their Moroccan Jews who were initially abused by the Ashkenazim being that they were ashamed and unwilling to embrace their Middle Eastern Heritage despite claiming the Levant as their ancestral home which they abandoned 2,000 years before.

….. Again, this is why this slow-moving coup was contained within the ghettoes of Europe…. But of course the Jew was the victim & everyone else needs to be banished from their own country— including their refuge country— being that the wandering Jew wants to make it look like the wandering Palestinian nobody wants despite badgering the white man for persecuting them and presumably not for a good reason…… TOTAL INFERIORITY COMPLEX & ALTER REALITY!!

…….. Note these land purchases are no different than Bill Ackman's recent stunt at a tennis tournament.. ***What a snake in the grass!!!*** **https://sports.yahoo.com/tennis/breaking-news/article/tennis-hall-of-fame-rejects-billionaire-bill-ackmans-10-million-gift-after-widely-criticized-tournament-entry-230500828.html**

For years in this country, victimized Palestinians weren't allowed to complain about what these Holocaust survivors had done to them because they were beaten down for being anti-Semitic despite being Semitic. Just like Claudine Gay, they needed to know their place!

…….These are the whips & chains Jews use on Palestinians in this country— *along with your traditional, white man*— when they can't bulldoze them out of their homes of which they're not allowed to complain about….. ***yet people continue to think of Jews as the blameless victim of World War II?!***

Does anyone remember Susanna York who played the mother of Superman?? In case you didn't realize this, she made a dedication one night on stage to Mordecai Vanunu who was a Nobel Peace Prize nominee & whistleblower who outed Israel for developing nuclear weapons. Her dedication only brought laughter & jeers from the Israeli audience in what amounts to nothing less than hate speech & accepted bigotry because, *like in America,* the Jews are great at ***manufacturing bigotry*** that's not there, ***ie., the sanctification of Rayshard Brooks & Michael Brown of Missouri.***

…… ***Anyway***, Mordecai was captured by a treasonous, American citizen turned MOSSAD agent— *which doesn't make anyone bat an eyelid*-— and she now lives peacefully in Florida whereas Mordecai was later beaten in prison for converting to Christianity. But we're being disrespectful to the Jew in their faux Homeland ***which we float*** by bringing this up— ***right?…… I blame politicians for this who did nothing at the time!……***https://www.newsweek.com/israel-gave-middle-finger-us-government-1762830

BOTTOM LINE: Empty-Headed, Jewish sycophants & nasally, Jewish victimologists who pretend that everything is anti-Semitic need to be run out of town, but we know that the Jews would just become the same problem elsewhere ***not to mention*** they would recycle it for more victimology in the next lifetime after they've had another 40 years to rebuild to attack a peaceful society with well-groomed lawyers & entertainment producers who create disinformation to force down your children's throats being that it's not disrespectful to do that to the other 98%.

****** Imagine that, a Jews stealing from one hand to give to the other and feeling entitled to it?!*** https://youtube.com/shorts/HIPFF5lptUo?si=aEFdygIkOQyPaQEQ

……I want ***Ana Kasparian*** on my Counter-Semitic Terrorism Task Force so we can reverse the con games, the psychological damage & the enforced ignorance caused by the Jewish Construct which has allowed sane people to be railroaded as anti-Semitic simply for correcting stupid people. In the process, victims of Jewish victimology can finally take back what has been misappropriated from their heritage. Lawyers will be needed to crack down on deep pockets & dark creativity for this purpose.

….. I discuss this more in my ***Kill Bill*** attachment.
