**Dear Ramy Youssef, Avi Schnall, Rutgers's Office of the President & any rational human being currently railing against Jewish terrorism & it's transparent, psychological warfare which has switched its BLM gears to now going Redneck Jew S.A.,**

The Inappropriate Jew— *Avi Schnall*— recently penned an appeal to President Holloway in order to have Ramy Youssef booted from a speaking engagement to a graduating class at Rutgers. Avi's self-involved mindset personifies everything maddening about Jews as he attempts to keep the other 98% under the Jewish thumb by wielding its signature victimology tactics which in turn taints the group perspective like one bad apple that spoils the bushel, yet plays the hero. It's a gross abuse of the **conversion of minority influence** which is exactly what Avi Schnall's letter represents, not to mention **a conflict of interest & a prime example of why Jews were kept in ghettos for the safety of the other 98%**.

**Conversely, I hope that Ramy Youssef will integrate my struggle against Jewish, corporate psychopaths who vie for institutional control, mind control & the funding of genocide into his class speech..... or maybe Rob Jennings of NJ.com would like to run this story??**

**NEVER FORGET:** Prior to October 7th 2023 the Jews would have had me stoned **by my own people** for putting my foot down to the thought of restitution in California which wasn't even a black slave state...

But then again, Jewish supremacists like Avi always come cloaked in a liberal wrapper in order to undermine the mainstream establishment as it pretends to be the defender of humanity.

**THE BULLSHIT OF THE CENTRIST, WHICH IS ALSO THE PROBLEM OF THE PROBLEM IN THE PROBLEM**

.....Until the **centrist**, student protesters forced Jews to take shade in the Christian-right AND in the law and order who they've been vilifying for years which even Dolly Parton at one point bravely pointed out.

After that, Jews from Amy Wax at UPenn to Bill Ackman declared war on black people for not giving up Palestinian blood money. But of course, Jews always know how to sugarcoat things as a war on white hate, which of course they created.

..... **But Avi Schnall won't give up the ghost OR the victim card...** This is just how Jews pit people against each other while pretending to be the defender of humanity with their true end game being to create unacceptable double-standards. Only brainwashing & bullying a younger generation was capable of reaping this invisible hand of apartheid for the carping Jew until it backfired in their faces thanks to these student protesters who "snapped out of it" & then threw off the slave chains & Jew lenses we're forced to go through life wearing.

In other words, Avi's letter is a building block in terms of how 2% overthrows the other 98%. Furthermore, Avi personifies Jewish Personality Disorder (JPD) as he unwittingly **projects & deflects** everything that most Jews are guilty of upon decent people. Unfortunately, this is culturally ingrained in Jews and it always kicks in whenever their back is up against a wall & they're not getting their way which effectively means that people aren't serving as their doormats by living in their false reality.

Regardless, the false & ambiguous, Jewish reality has become our reality thanks to 40 years of dumbing-down, berating & pitting people against each other in order to socially-condition the mindless masses on Jewish victimology. THIS is what overthrew a peaceful society— **NOT the student protesters!**

Again, these student protesters have ripped off these psychological, slave chains which their idiot parents have been bowing down to since the '80s... Nonetheless, the Jew will always hold steadfast to the ultimate power grab— the **victim card**— which only matters if you allow it to matter OR it facts are suppressed by pretending that facts are hate speech. This is why Jews love imbeciles & foreigners who they can indoctrinate & radicalize.

**Hopefully**, Donald Trump is finally waking up to the fact that he whored his daughter out to a bunch of anti-Semitic Jews who married Ivanka to get to his money AND to have kids who don't look as horribly Jewish as Charles Kushner who the idiot Trump had no business pardoning. This is the underhanded nature of Jewish terrorism & the nuclear family, the classroom & any concentrated form of disinformation has always been their battleground. In other words, marriages like theirs are nothing more than underhanded, rape camps for all practical purposes.

**THESE PRACTICES COMPROMISE THE SAFETY OF EVERYONE, NOT THEM!**

**What's wrong with this picture??**

**Assemblyman Avi Schnall, who is a rabbi, wrote a letter to Rutgers President Jonathan Holloway that said Youssef is "widely seen as polarizing."**

**FACT:** Jews have destroyed this country in 40 years by stirring up the mud which has left us **polarized between two extremes** wherein the moderates are vilified or become radicalized themselves. This is the art of Jewish terrorism. Next step, the Jewish hero homicide scam wherein they pretend to save us from the problems they created in the first place and not unlike hedge fund hyenas who intentionally plunge the economy into turmoil so they can profit for themselves while creating social unrest and job loss.

**CASE IN POINT:** Marc Rowan of Apollo Global Management who's one of the masterminds behind the largest, white-collar, fraud schemes on the planet when he isn't vying for mind control, institutional control & harassing UPenn's faculty into silencing genocide in favor of Holocaust indoctrination & white guilt trips. This is the cocksucker who Donald Trump wants to entrust \$24 trillion in private equity funds to?

**\*\*\* Marc Rowan, Leon Black & Josh Harris...** **THEY WOULD HAVE BEEN THE FIRST TO BE SHOT AND KILLED BY THE ARABISMS IF NOT FOR THE JEWISH SHAM ACTIVISTS!**

Unfortunately, you'll never see the Jewish media vilifying these guys, ONLY giving them an Old Testament glorification campaign as their **donations**— steeped in altruistic narcissism— go towards building their own IDF with Jewish sham activism serving as lieutenants and the dumbed down populace serving as their foot soldiers by attacking their own.

**We need less Jewish, sham activism & more regulation and transparency.** Stop allowing Jewish sham activists like IHRA to dishonestly define anti-Semitism instead of the other 98% defining the earmarks of Jewish terrorism & psychological warfare...

*Incidentally*, I used to volunteer at Harvard's Semitic Museum, so please don't hijack the word anti-Semitic when Palestinians are Semitic **AND** as Emmanuel Kant once said, "Jews are nothing more than Palestinians living among us" **AND** anything less is due to Jewish overreach that's resulted in blatant racial misappropriation of European peoples— **Just look at Hollywood!**

**"I urge you to uphold the values that Rutgers aspires to represent,"** Schnall wrote. **"By inviting a commencement speaker whose political positions are deeply hurtful to Jewish and Israeli students, Rutgers is sending the wrong message — that some identities and experiences matter less. I could not remain silent,"** the lawmaker said.

**First off, when does a Jew ever keep their carping mouths shut??** Every act of Jewish aggression & suppression comes cloaked in a preemptive victimology. Everything this whining Rabbi complains about is exactly what Jews have been guilty of for the last 40 years in this country, but it's also a cycle. These student protesters don't understand that their grandparents generation had to contend with Jews who they often found to be **"loud, obnoxious, in-your-face & acted like they own the place"**... *That's how pushy Jews encroach & they never see themselves as inappropriate OR guilty of overreach which includes* enabling Jewish, cultural appropriation & racial misappropriation without any objections.

.... But it's Gen X that was mentally enslaved by Jewish victimology thus allowing Jews to pull the wool over everybody's eyes. Luckily, rational college students have snapped out of it. Just consider baby elephants in India who've been trained on thin ropes and as they get bigger they continue to be restrained by these "baby ropes" which they could easily snap, but they don't because they've been conditioned. **The student protesters have snapped these ropes!**

Ramy Youssef has promoted the freeing of hostages, but I guess no good deed goes unpunished by the Jew who's too self-involved to understand that they're not the center of everyone's universe as they play the victim owing to nothing more than a simple plea to free Palestinians... Meanwhile, I'm vilified for saying that this is why Jews were kept in ghettos, run out of town & at times killed... Likewise, decent Jews like Norman Finkelstein are vilified & ridiculed by your average Jew.

**BOTTOM LINE:** There's no such thing as a rise in anti-Semitism, **ONLY** a rise in Jewish Supremacy and it's spawned counter-Semites not willing to lay down for passive-aggressive, Jewish terrorism that always comes cloaked in victimology & defender of humanity scams that uplift the dregs of society while vilifying decent people & pitting fools against each other.

.... Jewish Terrorism doesn't come with armored tanks & mazel tov cocktails, it comes with a fat checkbook, a white whore on their arm who converted & a victimology agenda replete with sham activism & it's pawns along with a stranglehold on concentrated sources wealth & disinformation as they vie for institutional & mind control. That's not old school anti-Semitism, that's just an old school Jewish problem.

Meanwhile, **Rep. Josh Gottheimer** now attempts to **legislate** Jewish privilege due to the failure of the Jewish Construct's long-standing campaign to **normalize** it in day-to-day society thru the use of Pavlovian social-conditioning & group control tactics. With Jews, it's all about **suppress** the facts in order to **oppress** the people with Jewish lies & one-sided accounts in order to ultimately make their own **false reality more palatable**.

In other words, Jews hide from themselves and from others the fact that they were NEVER the victim; but rather, the invaders to Europe & a slow-moving coup who parasitizes their host country by slapping on a Jewish label to call it their whether it be Hummurabi's Code, bagels or William Shatner. This is something that Muslim & Christian conquerors don't do. Jews on the other hand, sugar coat & distort everything.

.... Like Avi Schnall, Jews are right-wing supremacists cloaked in a liberal wrapper who play the victim, the defender of humanity & the good guy who takes the high road which is all a ruse in order to gain the upper hand while making us doormats who constantly seek the approval of the well-heeled Jew & all-around bullshit artist.

In other words, what Jews do to Americans **passive-aggressively** thru the use of victimology is what they do to Palestinians, but with **brutal aggression**. This is Jewish bulldozing and it's all about the Arab's land & the white man's woman. Why do you think Jews invaded Europe in the first place— **white women & institutional control!**.... Why do you think they had to be contained in ghettos??

Clearly, Jews like Avi Schnall have no respect for the fact that they're guests living among us which is what FDR once told his Jewish campaign manager. Even worse, Jews don't have the decency to admit they're trying to supplant us as with the main tool in their tool belt being victimology as MAGA has now gotten in on the act while Jewish puppet masters just sit & smirk at the chaos they've created as these brain dead evangelicals— *who don't understand they're not the children of God AND that Jews have been trying to undermine them for years*— serve as putty in their hands.

....**NEXT**, the Jewish, **hero homicide** scam enters the picture to extinguish the fires it created. Unfortunately, after playing the heroic Jew of Old Testament proportions, the **unregulated**, Jewish media rustles us up like cattle to bring us right back to the same point—**Jews First**. (See Jon Ossoff in my "Terrorists in Positions of Power"). As of now, Governor Pritzker & Josh Shapiro are contenders.

Jews always **vilify & distort** decent, white people into being **"the bad guy"** simply for not becoming their doormats. Bill Ackman and his racially motivated attack on Claudine Gay serves as a prime example. If I had accused a black person as having a prestigious job simply because of affirmative action prior to October 7<sup>th</sup> 2023, I would've been attacked by every Jew as being a white nationalist while they played the defender of humanity for whom we must all fall in step with.

But when Bill Ackman did exactly this it was for no other reason then Claudine wouldn't sell her soul and her students down the river to Jewish terrorists like Bill Quackman, who signaled to the world that it was okay to be racist just as long as you cloak it in Jewish activism. This was followed by **ad hominem** attacks— **a favorite tool of Jews**— as Bill **misdirected** angry white men with the chip on their shoulder — **being that Jews like to tap into people's most toxic qualities**— by digging up obscure dirt about her thesis for which his own wife is guilty of.... Of course when it's turned on him, we're all anti-Semites.

This is how Jews make the unacceptable acceptable and Avi Schnall's letter to Rutgers serves as a prime example. He should be ashamed of himself and so should any Jew or Israeli who takes offense to Ramy's speech especially given the fact that Israelis have been torturing, bulldozing them off their land, using them as a human shield & silencing them for years. The final slap in the face is Jewish, role-reversal & Holocaust indoctrination.

**REMEMBER:** Pre-October, 7th, 2023, Max Kellerman who was nothing more than a boxing announcer on ESPN used his Jewish cronyism to get on CNN and rally support for black restitution in California which wasn't even a slave state... This is what Jews have been doing to us for years. It's gotten to be a game I play when watching television & I played it with friends from foreign countries. You understood what's wrong with Americans long ago!....**AVI SCNHALL IS WHAT'S WRONG WITH AMERICA!**

**Jews have been bulldozing us since the '80s and everyone's too dumbed-down to see it & too scared to speak up if they do.** It's also why Jews like Avi Schnall were run out of town for which I feel absolutely no guilt and if he thinks he can try to guilt me or to use my own people as his personal IDF— *either by brainwashing or by making imposter Jews out of white people*— than I'm cutting the cord on his power supply right now by letting him know that Jews have never been persecuted, **ONLY** regulated and if it gotten ugly, it's because Jews brought it on themselves.

**\*\*\*\*\*LINDA MCMAHON\*\*\*\*\***

**Linda McMahon is an ignorant piece of hillbilly trash on the make. In a normal world, she would've remained anonymous & content on entering her pecan pie in local contests OR her tacky, daughter in some JonBenet Ramsey beauty contest..**

.... This woman has spent her life pandering to the lowest common denominator in society because that's exactly what the WWE attracts & if it weren't for her father-in-law then she & her husband wouldn't even have that. In other words, Donald Trump is after Linda McMahon's constituency just as much as the Jews are ever since blacks went PLM...She's as unqualified to serve as a Secretary of Education just as Donald Trump is on unfit to be president.

The only thing I wouldn't have guessed about this born & bred Southern Baptist is that she's a convert to Catholicism. But alas, one can't take the Evangelical, Hillbilly, Scofield Bible nutjob out of the girl & the proof is in the pudding.

**REDNECK COGNITIVE DISSONANCE:** Uncultured, hillbilly loons like Linda McMahon— *or the mayor of Tangiers, Virginia*— don't understand that Jews are a Middle Eastern supremacist group that invaded Europe during the Middle Ages then immediately made a beeline for white women by forcing these illiterate, weak links in society to identify as a defunct tribe from the Middle East instead of as their authentic selves.

This is but one way Jews fracture, parasitize & destabilize a society. This is what had to be contained in ghettos for the self-preservation of both people, but unlike everyone else on the planet Jews suppress basic information, distort the obvious & play the victim in order to gain the upper hand by way of a VICTIM CARD while making their own reality, more palatable.

Once Jews were allowed out of their ghettos hundreds of years later, they went straight to the same weak links in society— **women**— so they could Jewify Europe AND breed out their mostly ugly Jewfaces— *like Mayim Bialik, Howard Stern, Sascha Baron Cohen & Nelson Peltz*— for which these self-loathing anti-Semites are so ashamed of & why they ultimately usurp the native European ethnic groups for their own fake nation while forming an invisible hand of apartheid that pledges allegiance to a fake nation not even their own.

This is where everything European (race & food) becomes bizarrely labeled as Jewish while everything Jewish-looking (aka., Middle Eastern) is bizarrely labeled as ethnic-European and for no other reason than the controlling hand of Europe's Jews suffer from their own distinct case of cognitive dissonance wherein they don't want to look Jewish yet they want to claim descent from some defunct, Middle Eastern group in the Levant.

Conversely, Jews talk out of both sides of their mouths by pretending that Jewish is just a religion while dismissing the fact that they either look Jewish and for them to pretend that it's just a religion is gross misrepresentation of the people of their European, host country OR for it to become just a religion is gross overreach in the form of racial misappropriation which is why Jews were contained in ghettos in the first place unless willing to slowly assimilate to society, not undermine it then play the victim.

Meanwhile, pseudo-intellectual suburban white trash America pretends that they know what they're talking about as they begin to mimic the Jew's own cognitive dissonance and snap at me for actually knowing what I'm talking about by pointing out to them that they are pandering to 2% of society who are trying to steal our race to call their own OR at the very least overturn the nature of our culture by getting us to do it for them.

This is how 2% of society completely destabilizes it just before swooping in to play the hero or the victim, but victims of their own device. Unfortunately, rednecks are too unsophisticated to understand this as they try to smugly replicate this playbook which is what a clod like Don the Con is attempting in order to feel better about himself whilst deflecting the fact that his older daughter is an "Emmy Slattery" that's being used as a breeder for Jewish Terrorism.

Meanwhile, Southerners along with Midwestern & Rocky Mountain Bible thumpers are cultural garbage who don't understand that they're no better than the libtards who were brainwashed into screwing over the centrist, people protecting us all... *In other words*, rednecks are the new "weak links", the new white whores, the new white nigger "Rodney King" pawns for the Jews. GET IT THRU YOUR HEADS!

**NOTE**, the one-time "defender of humanity" Jew who made it all... their practice to uplift & glorify the likes of Rodney King, Michael Brown & George Floyd— *now enacting a completely inappropriate, 365 day a year Holocaust indoctrination agenda*— now feels the need to **dehumanize & invalidate** Palestinians. In other words, Jews are while doing to the Palestinians what they've been doing to the Christian-right like **LINDA MCMAHON** for decades which the Christian-right doesn't seem to understand as they assist the very source of their outrage...

**AGAIN, if colleges were legally obliged to vet students on the basis of their belief in genocide of a particular group, then Jews would never be allowed on any college campus other than their own.**

..... **Which brings us right back to the shoddy, dehumanization & invalidation practices that virtually every Jew at Harvard & UPenn employs on Palestinians which far outweigh any offense that a Jews take to the Khazar theory that at least places Jewish ethnicity of Near Eastern origin .....**

**Only a moron is NOT able to tell that dehumanization tactics are clearly meant to justify** genocide & expulsion practices which in this case are being committed by Jews & faux Jews who are rapidly delegitimizing themselves **AND** their claim to Israel as being nothing more than a designer-imposter culture of octaroons the more they accept converts & Non-Middle easterners.

**Furthermore**, only a **moron** believes that they can get away with playing the defender of humanity by justifying genocide whereas only a **practiced & domineering psychopath** is able to play it off.

**Bottom line**, Donald Trump is a moron who doesn't even come close to your average Jew's ability to main a straight face while trying to make us by their victimology garbage, especially when they can't even give us a straight answer regarding their racial status quo as being Children of the desert **OR** just a religion...

**Likewise**, look at Lindsey Graham pretending that the death of his parents & taking care of his sister is why he never married—**NOT the single guy he's shackled up with**. Only someone with addictive tendencies **OR** closeted homosexuality hides behind religion as his salvation because death & despair isn't an excuse for an unconscionable, self-made man whose parents gave him a horrible start in life.

**BOTTOM LINE:** The only way for the crafty & self-loathing Jew to pull-off ONE MASSIVE LIE is to gain the upper hand by suppressing basic knowledge. They do this by relabeling these basic facts as hate speech in order for Jews to reinvent themselves as something they've never been and completely at our expense. In other words, Jews are getting us to shoot ourselves in the foot and give away the farm and this is what the incompetent, Redneck boys are doing and not for the first time in this country's history.

These are the actions of a well-groomed & insidious terrorist group. No other terrorist group OR conqueror works like this in which they steal a foreign people (not MENA) to call their own by slapping a Jewish label on them in order to breed out their inbred, Jewfaces followed by playing the victim if the host group balks at going along with working AGAINST themselves.

..... **BUT OF COURSE THE IDIOT MAINSTREAM GOES ALONG WITH IT— WHICH INCLUDES VILIFYING THEIR OWN ANCESTORS**— because the Jews are a slow-moving coup who've preemptively spent enough time infiltrating concentrated sources of wealth & disinformation while exploiting sham activism in order to erase common knowledge about Jews followed by skewing the group perspective...

This is what was happening prior to World War II and it's happening all over again which means that the white man shouldn't be ashamed for pointing it out, nor should they be labeled as old-fashioned anti-Semites, but rather the Jew should be ashamed for getting caught with many people who falsely call themselves Jewish being sent to a de-programming camp.

Moreover, **UNREGULATED** Jews now have Evangelicals in a Catholic wrapper like Linda McMahon enabling them because hillbillies are too ignorant & dangerous to understand that the Children of God are a defunct group of camel jockeys who she would never let in her over glorified, hillbilly country Club.

**BOTTOM LINE:** Everyone who would assign someone as happens & as unqualified as Linda McMahon to serve as the Secretary to respect as the secondary of an organization it it. This is MAGA, this is the Redneck Evangelical Problem & this is what happens when the underbelly of a party stops respecting its middle-class, controlling arm for all the right reasons.

.... This is when we have the Lauren Boeberts & the Troy Nehls who stepped straight out of the Dukes of Hazzard....This is when the Ivy League, right-wingers begin to meld with the lower end, Liberty University grads.... The result is a right-wing hillbilly Tammany Hall.

..... **But again**, this is what happens when a Jew-hijacked, Democratic party— *that's far more dangerous than any hijacked plane*— AND a Jew-hijacked media glorifies Rodney King, George Floyd & trans athletes as civil rights heroes while vilifying moderate, moderate people who don't go along with it & private citizens like Kyle Rittenhouse who're forced to exercise the true meaning of the Second Amendment. In other words, you drive all the cowardly moderates out of town & leaves the crazies in control.
