***……Now back to people in positions of power who don't deserve them which is where I left off in my cover letter as I implode on everyone under the sun in the first 20 pages… Hopefully, you can all find some legal angles..**

***… But be aware that by the end of these now 82 pages, we'll be talking about sending BOTH Elon Musk & Donald Trump to Mars AND KEEPING THEM THERE!**

***….. Next, Tesla will be reinvented without Elon's presence in the company.**

***…… This will then be followed by talks involving the establishment of an International Jewish Terrorism & Supremacy Watchdog Coalition. I want Harvard, Columbia, UPenn, Yale, Princeton, Cornell ALL to pay special note to this letter & to my addendum… Jews owe YOU restitution & the "Redneck-Right" swept under the carpet and sent back to the WWE & NASCAR rallies where the belong!**

!!! CODE RED: ACTIVIST-TERRORIST ALERT, aka., "the Anti-Semitic Task Force" is a revenge agenda pushed by a Hillbilly Gestapo which Columbia's Claire Shipman understands. Unfortunately, anti-Semitism has been hijacked from your typical Jew with a persecution complex like Rep. Brad Sherman & weaponized by ignorant hillbillies such as Linda McMahon along with a washed-up, dope-dealing Kennedy like RFK Jr.— *NEITHER* of *whom even know what the hell the word means!* https://www.nytimes.com/2025/04/15/nyregion/columbia-trump-president-response.html

***….The above coalition is to follow on top of a Reinsurance Oversight Agency. To let everyone know, the Supreme Court can hold itself accountable to an act of terrorism if they hinder the correction of corporate terrorism.**

…. The Chevron decision may have worked for conservatives when the EPA was corrupted by the Reagan administration— *not unlike what Trump is doing now— but* what does it say about certain, *current* Supreme Court Justices whose transparent, underlying motive in overturning the ruling had everything to do with inconsistent, AGENCY corruption *(due to presidents w/shorter term limits than that of Supreme Court Justices)* which is a dilemma easily solved by shifting the decision-making to that of inept & CONSISTENT, JUDICIAL corruption— *Trump appointees of course.

https://www.scotusblog.com/2024/06/supreme-court-strikes-down-chevron-curtailing-power-of-federal-agencies/

Now with no further ado,

Did Trump's "Bible Belt" constituents notice that he didn't put his hand on the Bible when sworn in? It's probably because there was a Miqra underneath. Regardless, the belligerent Donald Trump has declared the Houthis to be a terrorist group owing to the fact that they've been railing against American-supported genocide which invariably comes cloaked in Jewish victimology & an exaggerated claim of self-defense.

Meanwhile, Trump has ALSO declared war on Canada, NATO, the EU, the Ukraine, the Muslim World, Greenland, the American workforce, senior citizens, the VA & environmental protections while Elon Musk declared war on Poland!!…

******Wake-Up Call!.. THE BUDAPEST AGREEMENT:*** *https://en.wikipedia.org/wiki/Budapest_Memorandum*

The memoranda, signed in Patria Hall at the Budapest Convention Center with U.S. Ambassador Donald M. Blinken amongst others in attendance,[1] prohibited Russia, the United States and the United Kingdom from threatening or using military force or economic coercion against Ukraine, Belarus, and Kazakhstan, "except in self-defence or otherwise in accordance with the Charter of the United Nations." As a result of other agreements and the memorandum, between 1993 and 1996, Belarus, Kazakhstan and Ukraine gave up their nuclear weapons.[4][5]

Russia breached Budapest memorandum in 2014 with its annexation of Ukraine's Crimea

***JUST TO BE CLEAR:* *So we "helped" the Ukraine dismantle their nuclear weapons and took the uranium for ourselves then transferred 200 nuclear warheads to Russia?…*.** Funny how this strangely resembles Trump demanding minerals from the Ukraine.

https://outrider.org/nuclear-weapons/articles/how-budapest-memorandum-paved-way-russias-invasion-ukraine

****BOTTOM LINE**: We coerced the Ukraine back then ***thus*** we owe them big time now **AND** not just for putting them in this position, **BUT** for fighting our fight against an inept ogre with a ***severe*** Napoleon complex who hates America and wants to devalue the dollar. ***This is a GIVEN— unless of course you're a corporate terrorist OR a Trump treasonist OR a braindead Redneck OR a genocidal, Jewish Supremacist…Hell, even old white men are walking away from this shit!!***

**** NOTE: Trump donor, Mark Zuckerberg checks off at least 3 out of 4 boxes and is reportedly lobbying Trump to settle the FTC's antitrust lawsuit against Meta AND is now a 15-minute walk from JD Vance in his new DC home…..God, I *miss Myspace*** *https://www.latimes.com/business/story/2025-02-03/mark-zuckerberg-once-a-trump-critic-cozies-up-to-the-president*

******* BOTTOM LINE #2: We created the conditions for chaos to ensue later on— *kinda' like* certain Jewish, activist-investors have done in order to *supposedly* uncover corporate fraud while creating the conditions for socio-economic unrest to thrive. In reality, they just badger CEOs no differently than what "King" Trump did w/ Zekensky and continues to do.** https://thomasgober.com/david-einhorn-amp-dan-loeb-new-century-financial/

ENTER PSYCHOLOGICAL WARFARE: Is it any wonder why smart-ass Putin & Trump are feigning innocence being that it releases them from blame while sanctioning their aggression?? In other words, they're perverting the Budapest Memorandum just like Putin did with the Minsk Accord in what amounts to adding ***insult to injury.*** *https://t.co/EBJWkwMXUI*

**** Next, Trump views Greenland & Canada in the same way Russia eyes the Ukraine. This is what every American citizen is waking up to every morning when they check their cell phone!!……** https://www.nbcnews.com/politics/donald-trump/trump-says-ukraine-should-never-have-started-it-remarks-war-russia-rcna192710

All of this is unimaginable to anyone who came of age prior to 2000 unless you were something out *The Deliverance* like ***Lindsey Graham OR Tim Scott***, the Evangelical Uncle Tom & closeted homosexual who no doubt maintains his own eponymous, fraudulent insurance fronts.

……. After working with Tom Gober for too long, you realize that the only true, white-collar industry in the South— *and within many rural areas*— are crooked insurers & reinsurers that function as "onshore offshore accounts" AND South Carolina was definitely one of them. In other words, there's no honest insurer except a dead insurer, unless it's a *mutual*. At this point I can't figure out who the bigger crook is— *Tom or these insurers?*

****** The head of The Smithsonian's African-American Museum was just fired, so please explain to me what's going on in this next article because it sounds like South Carolina's black community is being exploited by Tim Scott & used as another one of his fronts.**

https://www.scott.senate.gov/media-center/press-releases/during-black-history-month-scott-pushes-investment-in-underserved-communities/

????QUESTION, Tim Scott's goal is to release $1 trillion into underserved African American communities in South Carolina while Elon Musk's goal is to cut $1 trillion from the deficit— *largely from programs that service underserved areas like LIHEAP*— before he steps down from DOGE in May (now dropped down to a $150B goal).

……. Meanwhile, Trump's declared war on DEI which apparently doesn't include Black Republicans. So where the hell is this $1 trillion coming from?? Trump's administration just yanked $500k in an EPA grant that would've helped five rural, Appalachian communities in Southwest Virginia so—AGAIN— where the hell is this $1 trillion coming from that's supposed to help underserved, black people?! https://cardinalnews.org/2025/04/07/trump-administration-rescinds-500000-epa-grant-to-fund-a-community-project-helping-5-southwest-virginia-communities/

TRUMP TREASON, HIS CRIMINAL EMPIRE & HIS GLOBAL TERRORISM: Putin betrayed the Budapest Memorandum thru the use of an armed attack whereas Trump has now done so, but thru the use of unconscionable, **economic coercion by treating the Ukraine like one of his crappy properties that goes on top of the Trump Monopoly board. Meanwhile, *Elon Musk is a party to the breaking of said international treaties.*** *https://www.thedailybeast.com/cold-war-hero-lech-walesa-writes-angry-letter-to-trump-after-his-attack-on-zelensky/*

!!!!7 YEARS AGO We Ignored It: Russian-Jewish, mob money— Donald Trump's mugshot is literally the face of a traitor & a terrorist who's sleeping with the enemy and liking it. He doesn't just negotiate with the enemy while vilifying our victimized allies, he's been bankrolled by its oligarchs & gangsters for decades….Is it any wonder why Don the Con tries to talk like he's been binge-watching Martin Scorsese gangland movies?*!* https://youtu.be/r32CxeWTs1c?si=K-f8M66DE-g_YO5s&sfnsn=mo

****** Just a reminder….*** https://www.washingtonpost.com/politics/2016/live-updates/general-election/real-time-fact-checking-and-analysis-of-the-first-presidential-debate/fact-check-has-trump-declared-bankruptcy-four-or-six-times/.

Let's face it, if Putin wanted Trump to suck his dick, he'd do it OR at least send Melania in a strawberry blonde wig & a men's suit to do it. It doesn't seem to dawn on Don the Con that Putin eventually wants to annex Melania's Homeland which is the only thing that prevents her & Putin from laughing together over her idiot husband.

https://www.cfr.org/backgrounder/russias-influence-balkans

RUSSIAN SPY:** The below article on "Krasnov***" only lends credence to the now legendary, Golden Shower Incident especially when one considers Don's history of consorting with prostitutes & a love of degrading Democratic candidates & *anyone he labels as DEI… Incidentally, I have NO PROBLEM servicing Donald Trump with my own chocolate shower!*

….Meanwhile, NATO failed to let the Ukraine in years ago. Clearly, they don't want to allow countries in who serve as bastions for the rest of the world being that Western Europe might actually have to bleed for something.

https://www.hks.harvard.edu/publications/budapest-memorandum-25-between-past-and-future

ENTER STEVE WITKOFF: https://www.newsweek.com/steve-witkoff-ukraine-ceasefire-russia-mistake-regions-annexed-vladimir-putin-2049224

!!!!REMEMBER, *Witkoff is the low-life who called Putin "a nice guy".*

Next, take a break for a moment and consider the fact that this vermin is allowed to go ***unreprimanded*** for this comment while every white person in this country prior to October 7th 2023 was supposed to be on board with hunting down Nazi war criminals who were 17 at the time of their compelled service **AND** if a person *weren't* on board with his way of thinking then they were shunned by society as the illusion had long been implanted in everyone's mind that they were ***evil*** for not making Jewish, revenge agendas into the national agenda***. Bottom line,*** this psychological warfare is how trouble-makers instill obedience when they're 2% of the population trying to undermine the other 98%.

BUT BACK TO WITKOFF: Anyone who would recklessly & publicly say this is clearly running a Jewish, marketing scheme to make the Nazis seem like our allies and our allies our enemies… Otherwise, Witkoff's either a complete moron OR a terrorist OR just a Jewish henchman living under the protection of the king. *In a normal country,* this moronic piece of filth should've stepped down overnight after apologizing for this comment. ***Unfortunately, when one considers that everything about this administration is already openly illegal then what the hell difference does it make?!***

To select ***Steve Witkoff*** as head of ***Middle Eastern affairs for the U.S***. is a blatant conflict of interest. In other words, he's part of a cheap knockoff of a Putin cabinet as Vlad loves his Jewish henchmen along with imperialistic designs on the Middle East, Eastern Europe and anything he can get his hands on.

In other words, Putin is genocide-friendly in terms of his Slavic neighbors just as Steve Witkoff— *a atypical, Ashkenazi Uncle Tom*-— is also genocide-friendly in terms of blotting out Semitic Palestinians who represent what he hates most about himself **NOR** does he care about ethnic Ukrainians, just Jewish Supremacy…***In fact, Trump has facilitated the destruction of an entire peace accord with Gaza & this is his ambassador to the Middle East?.***

…….But Jews always have to maintain the victim card which is why we have the propaganda campaign that Hamas is using children as human shields. My answer to that would be bombing the hell out of Israel to kill Netanyahu who's clearly using many of his citizens as a human shield.

… But back to the Blinkens & the BUDAPEST MEMORANDUM……

??QUESTION: How did the Jewish terrorist & sham activist, ***Donald Blinken,*** get away with posturing the Ukraine as one of the countries who needed to give up their weapons as a gesture of good faith instead of calling it what it was– ***making them a sitting duck to the Russians & beholden to the U.S. & U.K. thanks to psychological disarmament***, **NOT** just ***industrial disarmament*** like that of the Morgenthau Plan.

!!ANSWER: Create the conditions then flip the coin *meaning* if Palestinians were to ever act in self-defense then they'd be seen as the aggressors. ***Thus*, our allies & the victims are skewed as being our enemies. Likewise, Jews have done the same thing with the student-protesters who've are guilty of only one thing and that would be proving that ONLY a rise in Jewish Supremacy exists, NOT a rise in anti-Semitism. The end result is that Jews tell us when it's okay to hate..**

https://www.fdd.org/analysis/2025/03/14/irans-nuclear-disarmament/

Incidentally, this is what certain sham activists in the U.S. are now trying to do with Iran right now being that they clearly think Iran is stupid & weak.. How about America makes the first move in that direction?! The US is concerned about our safety despite making itself an ***enemy of the world*** while Iran is looking out for the safety of Palestinians & woke to Jewish terrorism whereas the U.S. is apathetic to genocide & controlled by Jewish Terrorism that always comes cloaked in bogus activism.

https://en.wikipedia.org/wiki/Mordechai_Vanunu#:~:text=Masquerading%20as%20an%20American%20tourist,with%20her%20on%20a%20holiday.

Why aren't we disarming Israel's nuclear defense?? ***Instead***, we've allowed an American citizen, *Cheryl Ben Tov,* to return to this country after she became a MOSSAD agent to capture whistleblower and Nobel Peace prize nominee, ***Mordecai Vanunu***, who was abused in prison for converting to Christianity??

How is this legal? How is Cheryl Ben Tov not shot?…. I suppose for the same reason Chelsea Manning gets a free sex change operation in prison OR why student-protesters are being vilified & harassed by whiny, Jewish Supremacists posing as the victim instead of being regulated or contained in ghettoes as they always have in order to prevent their unique brand of chicanery.

… In other words, this is Jewish sham activism switching from left to right gears. With the LEFT it instills sniveling subservience, but with the RIGHT it provokes greed & revenge agendas cloaked in a shoddy, altruistic wrapper that stem from years of having Leftist, Jew-brainwashed drones aimed at them.

***** (see below)…. MORE Jewish propaganda videos cloaked in a bullshit, "Jewish intellectual wrapper" which we see with knuckle breakers like Jonathan Greenblatt who works in collusion with Jewish corporate, terrorist-activist— Marc Rowan.***

https://www.fdd.org/analysis/2024/12/05/whats-being-missed-amnesty-international-icc-un-and-israel/

***** The above link is simply more Jewish, sham activism with supposed experts thrown together from right-wing, faux "think tanks" like the Heritage Foundation.**

In other words, Jewish Overthrow cloaked in their usual, bullshit, "forward-thinking" altruism manned by a simpleton like Orde Kittrie who clearly doesn't understand what Jewish is despite claiming to be one. Otherwise, he wouldn't exert a high-level of intellectual dishonesty by oversimplifying Jews & Arabs as being people of multiracial background.

!!!!!!!COLUMBIA UNIVERSITY PROFESSOR SPEAKS: The following clip is describing old-fashioned JPD (Jewish Personality Disorder) that belongs in a DSM.

https://youtu.be/9wPUEK_ZaNI?si=hM12yF6TxQN5no_x…

An older generation has described this Jewtitude as "*loud, obnoxious, in-your-face & acted like they owned the place*" when dealing with pushy Jews for the first time in a collegiate environment…. Some things never change!!

**** Let's hope this generation can change things because Quora has ONLY two normal Jews playing "*activist-educator*".**

https://newrepublic.com/post/192720/jewish-protesters-trump-tower-mahmoud-khalil

***MORAL OF THE VIDEO: Foreigners don't call this country the "Jew.S.A." for nothing being that our mission in life has been to "*Coddle the Jew*" along with any undeserving underdog they want to weaponize as a battering ram to undermine the mainstream and law enforcement because that's how the bent tail wags the dog.**

https://thomasgober.com/legally-harvard-u-penn-are-harassed-not-anti-semitic/

What Jews DEFLECT by falsely labeling facts as being anti-Semitic rhetoric is what a rational mind either calls "*Not Dodging Accountability*" OR the "*same old Jewish problem*". If Mahmoud were a BLM rioter from Jamaica, every Jew "civil rights" attorney would be defending him pro bono and you know it, but when it's PLM it's DEPORT! DEPORT! DEPORT! because Jews don't care about endangering the other 98% for their own gain. In the end, their twisted moral compass points only to victim, zero accountability & Jews First as it prevents them from seeing themselves for what they really are.

….. ***Speaking of bent,*** first Putin & now Trump has taken to mirroring false accusations of anti-Semitism for which my readers should know by now is a form of psychological warfare & con artistry whose endgame is geared at the disarmament of your opponent in order to make them into a doormat or a sitting duck. ***Remember, Putin got into this TOXIC & VIRAL ruse by randomly & falsely accusing a Jewish Zelensky of being an anti-Semite!!***

****** The Victim Card is the ultimate weapon: Meanwhile, Jewish Americans have sought special, financial accommodations for going over to Israel to fight. So Who's the Terrorist??***

NOTE, ***U.S. Ambassador Donald Blinken's*** family was run out of a traditional city in the Ukraine that had been overthrown by the Russians **AND** keep in mind that his son Tony sugarcoats genocide in Israel being that his father encouraged the United States to back Zionist designs? ***Again, there's a reason why Jews were run out of town.***

https://uscpr.org/activist-resource/global-impact-of-zionism/

…… ***How are the Blinkens NOT viewed as a conflict of national interest who bought their way into politics?…***Don't forget, the VICTIM CARD loses its power & allure when facts are no longer suppressed NOR are the people psychologically pre-conditioned to hear facts as "*hate speech*"— aka "the ***new*** anti-Semitic" buzzword.

NOTE ONCE AGAIN: Donald Blinken was an early backer of Israel and founder of the sham activist organization— *the American Palestine Institute*— which apparently helped persuade the United States to back the creation of Israel. This ***sham activism*** is the cornerstone of the disarming approach that's embedded in everything Jews do whether it be an attack on Corporate America, ANY negotiation table **OR** some obnoxious Jew you went to high school with who would — ***ya'know***— try to get his way at every turn by spewing false accusations of anti-Semitism followed by a smirk…. ***EVERYBODY*** knows a Jew like this. Just ask yourself, "*Why do you feel a need to apologize*"?

****This old clip says it best…*** *https://youtu.be/P5ZbAPCR8f4?si=V-pkzOQs-PgoX4mU*

….. ***FYI,*** this aforementioned Jewish kid, when he wasn't making black jokes he was pretending to give a shit about them in a class speech despite never sitting with any at lunch being that 90% of them were like something straight out of that movie "***Precious***" thus making his words all the more full of shit…. In other words, his self-righteous grandstanding was nothing more than thinly-veiled, rabble-rousing intended to stir up white-hate & resentment based upon a by-gone era.

……Other times, this Skulking Jew played the ***Jewish activist*** by sanctifying John Lennon & his comments about being more popular than Jesus in a blatant attempt to undermine & badger the mainstream while cloaking it in a sanctimonious wrapper…… ***Yet, I'm not given the benefit of a doubt as the anti-Semitic label is quickly attached to me simply for standing up for the student protesters?…..Anyway, this shyster is now the head of some Jewish organization in Delaware.***

Unfortunately, the result of pitting people against each other in order to come out on top as the "*hero-intellectual*" always creates two polarized extremes with no acceptable solution, ONLY destruction as there's NOTHING more ***destructive*** than a Corporate terrorist & Treasonist who's repackaged his January 6th, Fort Sumter coup as "*fighting for the American soul*"*. In reality.* **Trump the Chump** is nothing more than an immature, grumpy old man & a power-hungry, sore loser who's reliant on a QAnon lunatic fringe & anger-fueled "Honey Boo Boo's" ALL OF WHOM even admitted that Donald Trump told them to rebel.

****We all know how Trump hates honest elections then gets a bunch of trash with hurt pride to make up things as they go along*** https://abcnews.go.com/Politics/wireStory/trump-administration-halts-funding-cybersecurity-efforts-including-elections-119651023

***Donald Trump is pissing down everyone's back, but not practiced enough at the art of Jewish victimology to be convincing..** https://en.wikipedia.org/wiki/QAnon

……. and I thought Redneck boys were supposed to be anti-Commie & in favor of preserving the American way of life, but instead you've got Michael Flynn sitting right next to Vladimir Putin & nouveau riche trash with fake tits like Ivanka who's betrayed her heritage by marrying into a rat's nest of Jewish, corporate terrorists who her father pardoned AND who're hand in glove with pro-genocide— ***Marc Rowan— of Apollo Global Management who had to be a right-hand man for Leon Black's $430 billion reinsurance fraud scheme among 45 US insurers.*** *Otherwise*, Leon just pissed on his old pal's life's work before handing him the reins.

….. ***YET BACKWOODS AMERICA DOESN'T SEE IT-***— along with the fact that the ***Palestinians are God's chosen people*** far more than some Falasha OR a converted, white whore for the self-loathing Jewboy like Ivanka who's nothing more than a tool to get to her father's money & to breed out the ugly, Kushner Jewface in order to alter the Jewish, racial status quo…. *Now that's what I call the true anti-Semitism & Jewish overreach, if not straight-up subversion.*

UNFORTUNATELY, when Fox News (ignorant, Evangelical, white trash & token, Caitlyn Jenner) and CNN (Self-Loathing European Jews primarily Ashkenazi) are your only options then that explains a lot.

***Old News which I was bashed for as a kid by suburban trash 30-40 years ago.** https://youtube.com/shorts/L4IlDlGoLoM?si=aC6idiMkhNthtJyT

Anyway, sham activism & corporate terrorism is ***strategic philanthropy*** geared at institutional control & ultimately mind control ***when*** we're not talking about straight out racial & cultural theft— *Ivanka included*—which Jews legitimize with their victimology & tyrannical double-talk until everyone's walking on eggshells for nonsense.

……***Also***, don't forget that cronyism & deep pockets go a long way in terms of putting Jewish interests above that of the other 98% **AND** if you don't go along with this, you're ***Hitler*** because these are the Jewed & skewed references for which we're limited to in the ***Jew.S.A.*** being that everyone has been forced to ***over-identify*** with the Jew & to ***internalize*** Jewish people's own anti-Semitism as their own.

*** There's a note of ambiguity in this repeat article, ie ,** *instead of a child being told they're bad so they act bad, Jewish beratement instead gaslights people into thinking that they are bad* ***AND*** *they then overidentift by seeing the world ONLY thru jewed &* skewed lenses. https://www.psychologytoday.com/us/blog/living-with-emotional-intensity/202311/projective-identification-the-silent-narcissistic-abuse

NEWSFLASH: "Trump now reportedly wants Ukrainian President Zelensky to give up part of Ukraine's land to Russia, hold elections, and possibly resign in order to receive U.S. aid, per NBC.

*****READ THE FOLLOWING & REPLACE PATAGONIA WITH TESLA:***

"In 2022, **Yvon Chouinard,** *the visionary founder of* **Patagonia**, *made an unprecedented move in the business world by giving away his entire company—valued at approximately $3 billion—to support environmental conservation. Instead of selling the company or taking it public, Chouinard structured a unique ownership model, transferring Patagonia to a specially designed trust and nonprofit organization dedicated to fighting climate change.*

This decision ensures that Patagonia's profits, estimated at around $100 million annually, are used exclusively to fund environmental initiatives, rather than benefiting shareholders. Chouinard, known for his lifelong commitment to sustainability, described this move as an effort to "reinvent capitalism" and set a precedent for responsible business practices. His approach aligns with Patagonia's long-standing mission to prioritize the planet over profit, reinforcing the company's leadership in corporate environmental responsibility.

The announcement was met with widespread praise, with many hailing it as a groundbreaking step in ethical business ownership. Chouinard's decision challenges traditional corporate structures and highlights how companies can be powerful forces for positive change. By placing environmental stewardship at the core of Patagonia's future, he has created a lasting legacy that could inspire other business leaders to rethink their impact on the planet."

OR ALTERNATIVELY…….

BOTTOM LINE: Elon Musk is already a dinosaur and he knows it which is why he's buying time by buying Trump….. *Elon already knows that China's BYD EV automaker could crush Tesla, if not the entire American automaker force, which is why the tariffs are so high. But even if I were to import a BYD– tariffs and all— it would still more than likely be $50k less than a Tesla wherein they just assemble cars then marks up the rest whereas BYD does every damn thing in house….. This leaves areas of opportunity in terms of being a parts producer for other automakers.. Maybe all this is old hash but it definitely bears repeating…*

ADVICE FOR DONALD TRUMP…..Trump only respects bullies, so perhaps if Trump saw Putin as nothing but a piece of incompetent, Slavic trash who's too stupid to run a backwater country like Russia without having to kidnap subway passengers that get thrown into his 4th rate army cloaked in nothing but a moth-eaten jacket & armed with a shovel— *when he's not hiding behind crooked oligarchs who're smarter than he is, but who cut him in*— then ***maybe*** Trump would be trying to win over the EU— ***NOT PUTIN!***

https://ecfr.eu/article/ukraine-russia-and-the-minsk-agreements-a-post-mortem/

Trump needs to understand that if Putin wants nuclear war, it's ***not*** because he's someone to be reckoned with; *but rather,* it's because Putin can't fight a battle any other way being that their army & Air Force sucks. The Russians, which Trump should've learned from Ivana & Melania, have *never* been a "mother culture" for the Slavic world (*this includes Romania as its primarily, ethnically Slavic, but a language isolate).*

….Russia exists to serve as a buffer between Mongol herds & Muslim extremists who need to be kept between a mountain range and the Great Wall. Instead, this asshat is trying to promote a ***Make Russia Somebody Again*** agenda without realizing that this has always been dependent upon a lot of non-ethnic Russians & misappropriated territory which they convolute as being originally "***theirs***".

*************J.D. VANCE & A TRUMP CABINET***********

Both carpetbagger, ***Donald Trump AND the former, glue-sniffing fat kid*– JD Vance**, need to be honest in terms of whether or not JD's here to serve as Trump's big, hairy cheerleader (*when Elise Stefanik isn't around, of course!*) **OR** to pick up where Mike Pence left off by calling Trump out. If Trump continues on his current course then he should expect to have a bullet in his head before his term is out which is exactly what that shifty-looking Mike Johnson is waiting for— *assuming that JD implodes.*

Make no mistake, Trump's attacking democracy abroad & at home and it's no different than how AIPAC & Hollywood manipulated & berated Americans ***pre-Oct. 7, 2023*** into vilifying Palestinians— *if not, remaining all together apathetic towards their plight*— while simultaneously keeping the white mainstream on a short leash by elevating & enforcing white-hate cloaked in civil rights activism.

….. ***After all,*** how does one ***suddenly forget*** the 365 day a year, Holocaust indoctrination agenda that was forced down our throats by people who don't respect the fact that they're guests living among us.

NEVER FORGET!!! Pre-Oct. 2023 Jews were forcing everyone to live in a by-gone era of social inequities, but now the *entirety* of DEI has been thrown under the bus and all because the black community didn't cough up Palestinian blood money by standing with Jewish, sham activism which is a sword that cuts both ways. I guess I'm like a Jew because *I NEVER FORGET!*

THE ENDGAME: For now, the black community is getting a taste of what Palestinians have been experiencing **AND** what ***moderate, rational, knowledgeable***, white Americans have had to live under thanks to false & skulking accusations of ***anti-Semitism*** being used as a means of getting away with murder, oppression & cultural appropriation.

……*In reality*, what's happening all around us is the rise of a resistance movement that comes in the form of a confederation of ***counter-Semites*** (*withstanding the fact that Palestinians are Semitic)* being that the politicians are largely unfit to serve… But the Jewish ego & distorted, moral compass refuses to accept this. In the Jewish mind it's never them, it's *always* everyone else who's the problem & they'll go to great lengths to ***brainwash the group perspective in order to make it appear that way.***

Edward R. "The bigger question we should be asking is: Why are Trump officials using Signal for their communications instead of formal, traceable channels? The answer seems clear to avoid transparency.

Signal offers end-to-end encryption and doesn't store messages on its servers, which makes it nearly impossible for the public or investigators to access those chats. Unlike formal emails or documented communications, Signal conversations can't be retrieved through a Freedom of Information Act (FOIA) request.

That's not just a technical loophole it's a deliberate choice to avoid accountability. Most official government communications, by law, are subject to FOIA because the public has a right to know how decisions are made. But when officials move to platforms designed to leave no trace, it raises serious questions about what they're trying to hide – and why."

"***My husband was one of the service members put at risk by the signal chats that Sen. Mullin is now LYING about in this video he filmed instead of returning my calls,***" Kendall Brown – who goes by the username @kendallybrown on X – wrote in a post, quote-tweeting Mullin.

https://www.texastribune.org/2025/03/12/texas-congress-cornyn-mccaul-trump-chips-act/

Rolling it back now would put the U.S. behind in the global race for technological leadership. The CHIPS Act has jump-started a wave of over $200 billion in private investment in Arizona, Texas, Ohio, and New York as new semiconductor plants are being built, bringing tens of thousands of new jobs, revitalized local economies. Intel is expanding operations in Ohio & creating a new "Silicon Heartland." Micron is investing $100 billion in New York for the largest chip factory in the U.S. and companies like TSMC and Samsung are building facilities in Arizona & Texas. Semiconductors power everything in modern technology. They're found in smartphones, cars, medical equipment, AI systems, satellites, and defense technology. Right now, the U.S. relies heavily on chips made overseas, particularly in Taiwan and a geopolitical crisis in the region could cripple our access to advanced technology, not to mention Trump tariffs.

!!!!!!!!! Domestic terrorist, ELON MUSK, who's left nothing but destruction in his wake has recently announced that he'll be stepping down from DOGE in May after completing his task of reducing the deficit by $1 trillion by getting rid of everything essential as opposed to TAXING BILLIONAIRES & CORPORATE TERRORISTS.

...... These billionaires & corporate terrorists are of course responsible for using their ill-gotten gains— ie. *the world's largest, white-collar fraud schemes at Apollo Global Management* — to harass students & faculty members at prestigious institutions as a means of forcing them to collude with suppressing information of Israeli atrocities AND with indoctrinating the youth of America .... https://thomasgober.com/the-apollo-memo-leon-blacks-g-o-a-t-white-collar-fraud-scheme/

.....OR imposter "activist-investors" are here to spin-doctor shady campaigns against companies in order to run them into the ground for their own gain, like that of corporate fixer Bill Ackman. This is all a means of accumulating institutional control AND mind control AND social control AND life control AND how we think control in ways that are far more dangerous than any leftist transsexual & critical race theory bullshit.

Can we drop the pretenses?! ...... Nicole & RFK obviously knew they never stood a chance in hell of winning the presidential race, thus they had *suggested* dropping out of the 2024 race to then endorse their eco-terrorist competition, ***Donald Trump,*** over that of Kamala Harris– *"who this country couldn't afford"*– being that we're all supposed to believe that those two stooges truly believe in the welfare of all Americans ***AND*** that Donald Trump's second term wouldn't be more terrifying than his first.

The end game was for both of them to be noticed by Trump which would then give RFK something real to do other than just being a Kennedy AND her more hunting ground & more attention.????

Moreover, we all know Nicole didn't want to see Kamala Harris as the first, female president over her. *It's an "alpha female" thing as this arrogant, little toad in heels just wont settle for less AND it ain't no different then the dirty tricks we all saw James Comey pull on Hillary Clinton!.....With* **Comey** *it was* **toxic masculinity**, *but with* **Nicole** *it's more like the* **toxic cunt!**

∗∗A word from Bernie Sanders– My favorite Jew outside of Neil Diamond **

????? **How is Donald Trump Not altogether Ignored & Arrested:** **Straight Jacket or White House Raid & Tried for Treason along with Edward R. Martin**?????

" **Donald Trump, the Gangster President with a massive inferiority complex and imposter syndrome. https://www.wkrg.com/hill-politics/big-law-spends-top-dollar-as-trump-takes-aim-at-firms/

Bernie— "Elon Musk contributed $277 million to get Trump elected president and he was rewarded with the most important position in government. Trump nominated 13 other billionaires to head various government agencies.

For years, as many of you know, I've been talking about how our country is moving toward an oligarchic form of society, and people had their doubts. What is Bernie talking about? What is oligarchy? Not anymore. It's out in the open for all to see.

But it's not just oligarchy and a government by the billionaire class. It's a very rapid movement toward authoritarianism. Virtually every day, Trump is usurping the powers of Congress. He is holding back funds that Congress appropriated. He is ending programs and agencies that he has no legal power to do. He is shipping billions in military aid to Netanyahu under an "emergency" provision and has developed his tariff proposals under "emergency" decree.

Bernie– He is aggressively undermining the first amendment and freedom of expression. He has sued major media outlets like ABC, CBS, Meta and the Des Moines Register for stories they wrote which he didn't like. And now his FCC is investigating PBS and NPR. He is clearly trying to intimidate the media and prevent information coming out that he doesn't like.

But it's not just Congress and the media that he's going after. He is also waging an outrageous attack against our legal system. He, and fellow Republicans, are threatening to impeach judges who render decisions that he doesn't like. He has also successfully received millions in tribute from large cowardly law firms that have opposed him in the past.

But it's not just Congress, the media, and the judiciary that he's going after. He's now waging a vitriolic attack against major universities that are teaching courses or allowing activities he doesn't like. For years, we have heard conservatives talk about decentralized government, getting the government off the backs of the people. We've heard about how education is a local issue. And now we have a president who is ***telling Harvard, Columbia, Princeton***, and other universities what they can and cannot do. Pathetically, some of them are bowing to his will — firing faculty or changing courses.

And, in an absolutely unconstitutional way, federal agents have grabbed foreign students, thrown them into unmarked cars and taken them to detention facilities. Their crime? They may have attended a demonstration or written an article critical of Israel.

Trump has also decided that he needs to lead the culture war. He has made himself Chairman of the Board of the Kennedy Center.

All of these activities make one thing very clear: Trump has little respect for the Constitution of the United States and for the rule of law. He wants more and more power unto himself. He wants to lead an authoritarian nation.

And to make a bad situation even worse, Trump and Musk are rapidly trying to dismantle federal agencies that serve working families and the poor. Musk has laid off thousands of workers at the Social Security Administration, which will make it —

— Bernie

harder for the elderly and the disabled to get the benefits that they paid for. Many will die as a result.

Trump and Musk have also decided to lay off some 83,000 employees from the Veterans Administration, which will mean that the men and women who put their lives on the line to defend our country will see a deterioration in the health care they receive and the speed in which they receive the benefits they earned.

And then, on top of all that, Trump and his Republican colleagues are working on a "reconciliation bill" which will make massive cuts to Medicaid, education, nutrition, etc. in order to give over a trillion dollars in tax breaks to the 1 percent."

?? Again, how is Donald Trump not arrested for betraying the office of the Presidency??

To put this in perspective, Trump listens to our enemy at the negotiation table **WHILE** the Jewish media listens to investor-terrorists like Marc Rowan & Bill Ackman with their false claims of anti-Semitism **AND** assertions of corporate fraud ***instead of understanding that*** they're the ones committing **BOTH** the fraud **AND** the actual acts of anti-Semitism against Palestinians.

Likewise, Elon Musk & "imposter syndrome" Trump– *with the help of Fox News which had originally abandoned Trump after the January 6th riots*— is now attempting to portray rational human beings as being *"the real January 6th rioters"* while releasing the actual lunatic fringe of rioters from prison & relabeling them as Freedom Fighters just so a bunch of low-brow losers can feel better about themselves...***FOX NEWS needs to be held liable!!***

ANTI-TRUMPERS vs JANUARY 6th RIOTERS**:** Anyone who rises up against ***openly illegal, gangster tactics*** that operate in plain site is making a ***citizen's arrest***— *Secret Service agents included!....* These gangster tactics include *overturning an election, fabricating "stop the steal"* rhetoric & everything Bernie Sanders has stated above. ***Likewise***, anyone who enables gangster tactics, *such as oligarchs*, will also be subject to a citizen's arrest. This includes low-lifes like Mark Zuckerberg & Elon Musk, both of whom need to be banished & given a severance package like a couple of Baby Bells.

Furthermore, Oligarchs like Mark Zuckerberg & Jeff Bezos need to be held criminally negligent for Donald Trump & possibly Elon Musk.. These Super Pacs are a farce & nothing more than a storefront for rinsing money and thus need to be treated as white-collar crime if not organized crime.. https://www.facebook.com/share/v/15hoXDYiHN/

CHILD **PSYCHOLOGY**: ***"Stop the Steal"*** is nothing more than a left-field zinger that Donald Trump pulled out of Lindsey Graham's unappetizing anus!..... https://youtu.be/Hduw35aAdfc?si=21ptMixcSKMJG56y

It's ***not*** reality, it's toxic masculinity or a petulant child stomping his foot & screaming— "***because I said so!"*****.....** As I've stated before, this role-reversal is what transparent psychopaths & skulking rednecks with a bruised ego do to lick their wounds.

Next, get some blonde cheerleader with an over inflated ego on Fox News to throw words around like terrorist **OR** maybe that smirking, entitled filth, John Watters. *Essentially*, it's like old Confederates talking about how they could've won the war instead of admitting that they were made into treasonists to fight a rich man's war. **It's happening all over again!... *Don't allow yourselves to be used OR maybe the likes of Lindsey Graham is just selling out his constituency to line his own pocket!***

..... ***Meanwhile***, ***NO ONE*** is listening to the student-protesters or faculty who have to bow to age-old, bogus claims of anti-Semitism that represent "***ground zero***" in terms of the toxic seeds that were planted in this country in the '80s as these seeds possessed the clear intent of keeping the mainstream on a short & ignorant leash by making them beholden & irrationally apologetic to the Sacrosanct Jew..... *No offense to Bernie Sanders!*

Jewish Terrorism always comes cloaked as activism & its strides are about to be confirmed through legislation. This didn't begin October 7th 2023 as the damage had already been done for 40 straight years in this country & it's only getting worse in what's culminating into the ***ultimate power grab*** by "investor-terrorists" who're only out for themselves & enabled by Donald Trump who's part, stone-cold corporate criminal & part grumpy, old man. Ultimately, Trump doesn't see all the angles & isn't much different than Caligula.

∗∗∗∗∗∗∗∗∗∗∗∗∗∗∗WOKE∗∗∗∗∗∗∗∗∗∗∗∗∗∗∗∗∗∗

FACT: Trump's ego is reliant upon an abnormal climate that comes primed for disaster which is how he got elected...... ***HINT!*** It's not Woke... That's a misnomer.... It's the snowball effect of Jewish Victimology and how it's turned into a social hysteria or contagion...

Consequently, this addle-brained, old codger who sees himself as a hero is able to rely on Big Donors AND the underbelly of "*Real Americans*" who's worst traits he fails to quell by never demonstrating a modicum of moderate thinking.

*******Don't Worry Everyone!! The WWE is on it!!! ..... First, the alt-Left tried to dumb down & enslave white kids with Cultural Marxism & Trans Insanity, but now the alt-Right proves that two wrongs don't make a right as Trump works to "Make America Stupid Again".***

https://www.bbc.com/news/articles/c79zxzj90nno

NOTE: The Department of Education doesn't run U.S. schools NOR do they set the curricula. This is left to the states & local districts which is what Trump wants to do but already has. The department is simply there to enforce civil rights matters– *disabilities included*—as well as scholarships.

....And then there's the misguided accusations of **WOKE** indoctrination....**More importantly, "WOKE"** is an appropriated term from the black community that roughly translates into *"stay awake, don't fall asleep at the wheel"* and it goes back to an old Lead Belly song that gave similar warnings like Brer Rabbit did. This is why more black people I've met— aka., *the weapons of Jewish victimology*— don't act like a irrational sycophants who regurgitate words they don't understand such as anti-Semitism as do the victimized, middle-class, white kids OR the ignorant foreigners who use words like Woke, such as Elon & Vivek R.

EXAMPLE: Remember the middle-class, Ivy League Black Harvard student who carried a sign representing the Jewish hand around the black mind which then sent that deranged wimp Shabbos Kastenbaum into Jewish victim mode & running to his nearest Shyster Jew attorney accomplice in order to facilitate the harassment of decent human beings by creating the Jewish illusion of ongoing persecution?

Well, this Black student is **WOKE**, meaning he's not allowing people to piss down his back and tell him it's raining unlike the white people who've allowed it to happen for decades such as Elon Musk who supported the fact that Jews incite hate before swallowing his words for fear of it taking a toll on his sales— ya' know, as *opposed to* ***DOGE*** ?!?

https://thomasgober.com/legally-harvard-u-penn-are-harassed-not-anti-semitic/

****** NOTE, a Chinese woman would not understand the long tradition of Jewish Victimology which is what she calls Cultural Marxism & what Elon Musk calls WOKE ideology.***

∗∗JD VANCE MAY BE RIGHT FOR DEMOLISHING HIS OWN INDIAN MOTHER-IN-LAW'S COLLEGE NOOK BECAUSE SHE'S ATTACKED THE REST OF US FIRST: There's nothing wrong with studying the biological dysfunctions of different racial & ethnic groups OR facilitating campus assimilation, but the moment JD's mother-in-law starts batting around one-sided rhetoric like "systemic racism", "anti-blackness", "anti-Asian" then she's really about undermining the mainstream with victimology & putting the interests of non-traditional newcomers like herself first and in a very tongue-in-cheek way. I discussed this more in my addendum... https://www.cbsnews.com/news/jd-vance-dei-mother-in-law-lakshmi-chilukuri/

In a 2021 speech, Vance quoting Richard Nixon who said that professors are "the enemy," and called on Americans to "aggressively attack the universities in this country," saying "***they care more about diversity, equity & inclusion than they do their own society.***"

... **Note**, the conservatives of yesteryear in no way resemble the Walmart Republicans of today. If this Nixon quote were repeated in the '80s, then maybe we wouldn't have any Holocaust indoctrination & Jewish victimology in our public schools; but instead, a more complete picture NOR would we have been uplifting Rodney King in order to vilify the police force..

But this is just what the Jewish media & their alleged civil rights attorneys have taught us: The white mainstream must put the interests of Jewish pawns above their own in order to undermine themselves whilst thinking of oneself as ***noble, educated & worldly***. These simpletons are ***ignorant*** & ***selectively racist*** with something to prove along with a serious case of flawed logic. ***This doesn't qualify as accommodating OR protecting the rights of minorities.***

It's official! Jewish victimology has ***NOW*** infected every facet of our culture— *megalomaniacs included*-— just as it's always been ingrained in Jews. It works by tapping into a dupe's most toxic qualities even if doing goes at times against their own core values **OR** betrays their own truth as it's more about a holistic overthrow & ***revenge agendas against the opposition***. This is the definition of backlash & how people become their own weak link **OR** worst enemy, ***ex. Donald Trump overthrowing Roe vs Wade.***

BOTTOM LINE: No one in their right mind believes that a 1980's Republican like Donald Trump ***wouldn't rush*** any of his female, family members to private care for an emergency abortion if she were raped & impregnated by a large, charcoal-colored, ghetto-ass crackhead that only Ben Crump would defend being that he's too busy talking ***systemic racism*** instead of ***systemic bad breeding***. In other words, Donald Trump, *like actor James Woods,* don't even see that they've lost their *"center"*.

Meanwhile, the pre-October 7th Jew media played their usual defender of all mankind scam by ***glorifying riots*** & ***uplifting a dead counterfeiter*** as being *"the next Rosa Parks"*.....*Clearly*, a person would have to be a complete moron not to see this as a shoddy pretense intended to undermine the mainstream along with law & order. In fact, all the Jews over at CNN are so toxic that they actually pushed civilians to point of vigilantism.

...... *Enter Kyle Rittenhouse* who had to ***truly*** exercise his second amendment rights being that there was no law and order. In turn, Kyle was vilified which only widened the chasm between left & right especially since he had nowhere else to go when he got in trouble except to the extreme right as the ***moderates have been systematically marginalized*** and I'm not about to tolerate libertarians who claim to be the new moderates— *not with hot-to-trot Nicole & the slovenly RFK!*

In the meantime, look around at all the "Archie Bunkers" with displaced, anger issues & the Redneck ***wanna-be's*** (***ie.***, *J D. Vance*) who seem to have no problem with waving around a loser, Confederate flag, yet they criticize student-protesters for replacing an American flag with a Palestinian one **OR** for painting Gaza in red paint on an ugly fountain in DC..... *This is total hypocrisy!*

https://www.nbcnews.com/news/us-news/upside-us-flag-hung-yosemite-national-park-protest-employee-cuts-rcna193409

More importantly, the January 6er's miss the whole purpose of the PLM protests which was to demonstrate how this country has become the ***Jew.S.A.*** thanks to the general public having to suffer at the hands of both political greed AND tyrannically, enforced ignorance ***specifically*** in terms of "re-defining" what Jewish is, **YET** has **NEVER** been *and how certain ramifications come entirely at our expense AND at the expense of the few normal Jews who don't hide behind victimology.*

... ***I've explained the point of Palestinian flag waving, but what was the point of the January 6th riot other than treason?*** UNFORTUNATELY, idiot Americans have become immune to the nonsense & sugarcoated misbehavior of Jews which Walmart Republicans are *NOT ONLY* oblivious to, but replicating unsuccessfully. Meanwhile, they're only hurting themselves and everyone else instead of seeing that the student protesters are *centrists* fighting for everyone AND against the Left to Right extremism of identity politics that's a byproduct of the polarizing effect of Jewish victimology & vilification ruses.

But this is where Jews circle back around with their ***hero-homicide*** tactics after creating an environment of two polarized extremes. In other words, the ***Defender Of Humanity*** now becomes the ***Defender Of Reason, like Democrat Jon Ossoff of Georgia,*** who portrays himself as the heroic, voice of reason which we wouldn't need if Jews hadn't stirred up the mud in the first place starting in the '80s and coming to a head after 2000. Prior to this, white & black trash didn't run to the voting booths like they do now NOR did we have candidates straight out of an SNL skit. Ergo, it's no coincidence that these candidates tend to be relics from an era wherein the mud was just beginning to be stirred.

Again, it reminds me of how **Mark Mitchell** of **Deep Capture** described *certain* Jewish hedge fund managers as creating the conditions for catastrophe to ensue down the road just before playing the role of the *"omniscient intellectual"* when the bottom fell out. Then again, ***John Ossoff*** may be completely separate from Jews like Bill Ackman in the same way Zelensky is from Netanyahu, but if I have to look at a U.S. map and see Jewish over-representation outside of the northeastern corridor then I'm afraid and for good reason.

In other words**, I have to measure the short-term satisfaction of supporting Ossoff as a moderate against that of his long-term endgame of inappropriate, Jewish agenda-pushing cloaked as activism & victimology... Eventually his road will meet up with the more right-wing Bill "the Shill" Ackman— *Jewish supremacist & corporate terrorist*. It takes me back to FDR telling his Jewish campaign manager that he has to "*realize that you're guests living among Us*".....but Jews never do much like the Muslim minority separatists in the Philippines.**

https://thomasgober.com/dear-harvard/

Speaking of Bill Ackman, the Jewish sword always cuts both ways which is what Bill proved when he shifted the Jewish media away from their glorification of ghetto thugs as catalysts for civil rights reform ***to instead*** throwing DEI under the bus by portraying it as ***white-hate*** when in fact Jews have been generating it all along for ***which a cowardly Elon Musk originally stood behind!.... So does this mean that Elon Musk now stands with Jewish subversion??***

But this is just the Dark Creativity of Jewish Supremacists & Victimologists as they force people to DISARM themselves by feeling guilty OR socially-alienated for doing nothing more than calling a spade a spade. As a result of people not holding their ground, they effectively serve up their defenseless children to this chicanery of Jewish DEI— *imbeciles, accomplices, sycophants & foreigners* —– while stupid sheep are promoted in the future who allow things to spiral out of control, **i.e.,** *men pretending to be women as we're all labeled "Nazis" for not going along with their more extreme demands that are nothing short of abuses.*

.... Of course, the use of the word "Nazi" represents the psychological fingerprints of Jewish mental enslavement.. https://www.forbes.com/sites/traversmark/2024/01/24/a-psychologist-breaks-down-the-phenomenon-of-dark-creativity/

BOTTOM LINE: OUR CHILDREN HAVE BEEN THE HOSTAGES OF JEWISH SUPREMACIST & VICTIMOLOGIST FOR AT LEAST TWO GENERATIONS NOW.

FURTHERMORE, Donald Trump is experiencing his own form of cognitive dissonance as one simply can't be a "*white nationalist* ", yet have a daughter who betrays her race by pretending to be part of an ***ethnostate*** wherein the people she's gotten in bed with were kept in ghettoes for centuries within their European, host countries as a means of preventing this preppy, early prototype of ***ISIS*** from misappropriating white women as their own race for a non-existent & underlying faux "nation" in what obviously constituted— *then & now*.

...... This racial theft bizarrely enough comes cloaked in "*suspension of belief*" & an enforced "*make-believe*" thanks to nothing more then chicanery, nonsense & overreach which placed Jewish Law above the law of the land & above the laws of reason which should respect obvious, ethnic differences as Jews were no longer living among more interchangeable people of the Middle East & North Africa, ***like Charles Kushner.***

Therefore, we need to ***stop*** talking about Sharia law and ***start*** talking about the more insidious nature of Jewish law because what we have now are self-loathing Jews with an Uncle Tom complex trying to wear a white supremacist uniform, such as the ridiculous ***Steven Miller of Homeland Security***, who's just another Jew who looks like a ***Simpsons*** character.

...Guys like Steven Miller & Charles Kushner are why seedy JewBoys like Jared & Joshua Kushner breed with these gaudy, white whores as they want to produce a fake breed of Ashkenazi Jews who are no longer Semitic, but actually European which clearly constitutes anti-Semitism & a hostile overthrow on their part. In other words, it's what the white man has always known & been complaining about for centuries in terms of Jewish encroachments & slow-moving counter-assimilation tactics.

Beware, there are Jewish propagandists on Quora trying to now push the idea— *with the help of faux condescension*-— that ***Semitic*** is simply a language group with no ethnic ties which in itself is intellectually dishonest as languages evolve with race over time and to try and compare black people who nowadays speak English as a ***defense*** of this "language group only" assertion does not make a scholar; but rather, it makes a skulking, self-loathing Ashkenazi Jew who's playing fast & loose with the word ***culture.***

Unfortunately, this is what Jews prop up faux scholars such as S.D. Gotein who's false claims have been given false legs in terms of providing the definitive answers to the differences between Arabs & Jews. ***Meanwhile***, Germanic/Slavic/Celtic people have no problems embracing these terms as part of their ethnic heritage for which European Jews are trying to usurp by calling anyone & everyone anti-Semitic if they don't allow Jews to identify as European ethno-linguistic groups that they are not. On the other hand, if these Jews are ethnic Europeans with virtually no Near Eastern descent then they shouldn't be identifying as Jewish.

But alas, the DNA results are in and they prove that ethnic Jews— a splinter group of Middle Easterners— who invaded Europe did in fact make a beeline for the women before being "mysteriously" contained... In other words, why do you think you got a bunch of Jews who basically look like Kevin O'Leary?

Strangely enough, these encroachments—*not assimilation*— then and now are sugarcoated while Jews play the victim for being sequestered in ghettoes... This is then enabled by a dumbed-down & berated, modern White America who don't really know what Jews are being that they always steal from one hand, repackage it as Jewish then sell it back to you with a Jewish label.

......This could be anything from your own race ***to*** bagels ***to*** questionable donations derived from corporate terrorism which then becomes a means for institutional & mind control, as **Marc Rowan** has demonstrated. The honest money is just knowing how to pander to goyish taste like the shiksa goddess Barbie doll developed by Dan Loeb's aunt **OR** Estee Lauder getting into the cosmetic game whose son is now head of terrorist Zionist organization geared at shaking down the president of Poland for restitution even as they steal white people to repackage as Jews.. There's just no other group like this and ***I hope Marjorie Taylor Green recognizes this as she sees it's insidious hand trying to legislate the gospel as being anti-Semitic.***

.. The worst part of this insidious form of slow-moving terrorism is that if you don't go along with the sheer nonsense of Jews claiming Europeans as being members of some defunct Middle Eastern tribal nation ***— Then You're The Nazi Purist!****! It's as bad as Jews "not getting" that they're a "floater group" separate from Europeans for which they then accuse you of being anti-Semitic despite Semites not being European. The problem here is that Jews believe that they can liken themselves to that of a composite, European group such as the French who possess a Latin, Celtic & Germanic make-up when in fact they're more comparable to African Americans who have an admixture of Caucasian & American Indian blood..*

Again, this is why Jews are called parasites & now they're after the upper echelons of society like Rep. Auchincloss which makes me wonder about the father's mental state & proclivities— kinda like Bette Midler's husband— as Jewish becomes less of an ethno-religious subculture & more of an invasive, overreaching cult... Again, why do you think they were kept in ghettoes?

https://youtube.com/shorts/sjLU9aWzu3E?si=NWU9Ig5I2tNw6Vnu

JEWISH TERRORISM'S ENDGAME: Not having a wife & kids who look like your typical, ugly Jew like that of the seedy shylock & slumlord— ***Charles Kushner.*** Unfortunately, Jews get away with this racial misappropriation & blatant overreach by turning a tone-deaf & smart-ass ear to valid & age-old complaints of encroachments by playing the victim in order to enforce their own dominance & designer-imposter subculture..... ***AGAIN***, ***entirely at our expense!***

Meanwhile, THE TERRORIST JEWS OF QUORA pretty much all belong in a gas chamber due to their fake persona as ***cultural ambassadors*** who make the idiot staff at Quora jump through ***their*** hoops with false accusations of ***hate speech*** being that the staff is clearly too stupid to understand the difference between hate speech and facts OR the fact that the Jews are the ones making the hate speech. After a while you pretty much do hate Jews & for all the reasons ***Elon Musk*** righteously stated in the first place.

The real insult to injury is the blood libel crutch the Jews of Quora are pushing along with rants about babies being headed while censoring facts as ***anti-Semitism***...kinda' like **THE FACT** that Israeli jailers would wrap Palestinian prisoners in shrouds and bury them alive ***and*** as they began to suffocate a small amount of air would then be allowed in to keep them alive, but only for the process to be repeated moments later.... ***But when Jews are genocidal maniacs it's okay & they must have a good reason!***

Back in America, the Jewish minority is more ***passive-aggressive*** with their calculated, social alienation campaigns that are aimed at decent people who choose to ignore the Jew's age-old victimology. *Unless you're asleep at the wheel*, these fake popularity contests are orchestrated in order to maintain Jewish privilege whilst trying to Jewify white people just like they did when this Middle Eastern cult invaded Europe in the Middle Ages right before being contained & their nonsense kept to themselves. Yet this often mixed-race offspring are tormenting Palestinians who're basically the Jews that never left.

A prime example is the celebrated, quadroon-Jew terrorist, Tzipi Livni, who never should have been born & who's far worse than any bitch of Bergen-Belsen which is why we have to support the ICJ!!! https://en.wikipedia.org/wiki/Magnitsky_Act#Global_Magnitsky_Act

Nonetheless, Jews who encroached upon Europe in the Middle Ages are the so-called ***victims*** for getting themselves run out of town **OR** contained in ghettoes for the self-preservation of the native peoples just like Palestinians are the supposed ***disruptors*** & ***foreigners*** for not remaining contained within their reservations being that this is the Wandering Jew's World and we just live in it.

NEVER FORGET! ... Your decent Jews always take the backlash (Krystalnacht) OR are ridiculed & loathed (Norman Finkelstein) by the majority of the truly offensive Jews like Marc Rowan & Bill Ackman so stop hating on your ancestors & attacking the student protesters who defend us because that's what Jews do to keep us all under their thumb. It's how they draw their power & before you know it, revenge campaigns cloaked as activism– *not co-existence*– becomes the weapon of choice to overthrow the mainstream as seen with the California restitution bullshit..

****** Most of the following article is "Jew-skewed", but I agree that Trump has a "backfire effect" for Jews. The author has also crystallized my conflict with Marjorie Taylor Green which includes her Redneck stupidity that has only momentary lapses of lucidity AND the author also introduced the term "ethnostate" which is NOT being respected if you have self-loathing, anti-Semitic Jews like the Kushners & Nelson Peltz trying to make Jews out of white women and allowing blacks & Indians into this ETHNOSTATE...***

https://www.nytimes.com/2025/04/07/opinion/trump-jewish-antisemitism-wesleyan.html

With that said, I certainly hope that every Southern Evangelist & Midwestern Bible Thumper who voted for Trump– *including representative Massie from Kentucky*— finally realizes the damage they've done. *Unfortunately*, I fear that there's no University or college equipped to take the ignorant hillbilly out of the man. But this is what you get when you deal with people whose entire perception of the world is the Old Testament, NASCAR, BBQ, guns, honky-tonks, cotillion & Chick-fil-A.

NOTE***: I'm not about to convict Elon Musk just because he comes from South Africa OR because of what his maternal grandparents were like according to this video.***
https://youtube.com/shorts/j47fk7pCvyI?si=xjVp4nYdtNAZC0kK&sfnsn=mo

BUT, if I were to do that then I might as well convict Anthony Blinken of genocide OR label every Israeli of being a Nazi in a Jewish wrapper. Actually, I already view Europe's Jews as nothing more than right-wing supremacists in a liberal wrapper which of course comes back to supposed anti-Semitic conspiracy theories that I'll get to in a minute.
https://thomasgober.com/the-dark-triad-of-ackman-rowan-greenblatt/

AGAIN, nobody ever said terrorists were stupid & Jewish terrorism rarely comes with suicide bombers & hostages; but rather, it comes with a fat checkbook, a piece of sell-out white pussy on their arm & a victimology agenda.

For now, the above video's most memorable quote is Elon quoted as having said that we should "***no longer feel guilty about our grandparents generation***". *With the exception of atrocities committed against Native Americans,* I **absolutely agree** with Elon...... **AND** when he said this Elon was effectively cutting the **POWER SUPPLY** on Jewish warfare which is based on shaming tactics, harassment, witch hunts & revenge agendas which Jews make into the national agenda & label as ***activism***. Pretty ironic for a group of people who religiously dodge any form of accountability by hiding behind the bogus, scare word *anti-Semitic* ...Outside of Zelensky & Bernie Sanders, Jews primarily don't give a shit about anybody but themselves and there's usually a motive if they do.

Yes to BLM, but NO to PLM & to student protests— and now NO to DEI... Clearly, it didn't take long to drop all the bogus pretenses!

Observe this CNN excerpt in terms of how it enforces the "*Jewspeak*" that plagues Americans as it invariably & presumptuously labels anything as being ***"popular anti-Semitic conspiracy theories"*** if it involves Jews having to be treated like anybody else. This constitutes an attempt for Jews to deflect accountability thru the use of *intellectualization* or *distancing* tactics. *In this case*:

"The anti-Semitic conspiracy theory — which posits that Jews want to bring undocumented minority populations into Western countries to reduce White majorities in those nations — is often espoused by hate groups.".......

Note, this faux, clinical approach effectively creates Jewish, ***double-standards*** while also employing ***preemptive strike tactics*** in order to inoculate listeners from hearing the obvious. Meanwhile, there's no denying that Jews have ABSOLUTELY been importing foreigners to squeeze out Palestinians***... So who's the hate group???***

.....Of course all of this was due to a failure to secure black support for Palestinian blood money after decades of ridiculing rednecks while uplifting the worst of the black community which has ***never*** served the black community, ONLY Jewish Supremacy that works to undermine the white, Christian mainstream being that Jews are ALWAYS right-wing supremacist who come cloaked in a bullshit, liberal wrapper... *THAT'S THEIR GAME!*

.... But this is just what happens when you allow Jews to overrun your country— "you're Hitler" for not for putting the rights of every underdog above that of the Christian, white mainstream.... Is it any wonder what segment of society the right-wing backlash is composed of *especially* when one understands that **moderates** sell us out and then sell themselves out.

*******__40 Years Of Jewish Terrorism & It's Impact on Higher Education & institutional Control: Harvard on the chopping block & Lucca Ruggieri__******

"Pritzker has positioned himself at the front of those speaking out against Trump by invoking Nazis' rise to power as a warning about the dangers of Trump and his administration's destructive actions.

"It took the Nazis one month, three weeks, two days, eight hours and 40 minutes to dismantle a constitutional republic," Pritzker said."

NEWSFLASH! It took a 40 -year, Jewish slow-moving coup to get us in the tragic state we're in now!!!!.... The Jewish "defender of humanity' scam backfired in your faces after October 7th 2023 when rational minds reached a full state of awareness that if BLM mattered then PLM mattered even more.

Personally, I put a whole race of indigenous people above that of George Floyd. The Jewish Construct that created the dumbed-down & degraded doormat of a white man who believed in coddling border-jumpers, carping Jews, transsexuals & ghetto-ass thugs is exactly what created a backlash like Trump— *angry old codger at large!*

This is why back-peddling Jews vying for institutional control, like ***Penny Pritzker***, at Harvard quickly threw the switch on their Leftist gears over to the Right even if it happened to come with an oligarchy agenda which actually benefits her even more.

Governor Pritzker & Penny Pritzker had better get their switch 'n bait routine a little more finely-tuned because it's making me think of the old Jewish, hero-homicide routine wherein they create the problems simply to extinguish them at a later date while playing the hero..... We had enough of that in the early 2000's with the hedge fund hyenas..

***THAT'S HOW TRUMP* GOT ELECTED??? Unfortunately, Trump is either too stupid or too greedy to see that he's catering to the source of his own wrath as he becomes a Jewish lapdog, NOT the one in charge**... If he were really smart, he'd squeeze them with regulations like he's doing to our neighbors with tariffs....

Unfortunately, so many extreme leftists like these trans activists have ONLY themselves to blame in terms of Trump getting elected. This means they're also to blame for Trump's EPA pick —ya' know, the woman from Delaware who spent years fighting the EPA to eliminate formaldehyde regulations. In other words, the prison keys are now in the hands of its inmates.

__BOTTOM LINE__: Jewish, victimology warfare creates its own false narrative by keeping everyone on shaky ground through the use of irrational, shaming tactics & preemptive, false accusations of "***hate–speech***"*— aka., the* ***NEW***, *rhetoric-charged command phrase that's quickly replacing the word anti-Semitic.*

.... In reality, it's Jews who are ashamed & full of hate speech with the latter being something they attempt to ***normalize then enforce*** thru the use of victimology ruses. The student-protestors finally shattered this false bravado & declared, *"The emperor has no clothes"*,.... ***Just a bad case of Jewface which they want to leave behind in a plastic surgeon's medical waste bin....So who's the Anti-Semite?***

The smart way to keep people passive and obedient is to strictly limit the spectrum of acceptable opinion, but allow very lively debate within that spectrum. That gives people the sense that there's free thinking going on, while all the time the presuppositions of the system are being reinforced by the limits put on the range of the debate.

— Noam Chomsky,

https://youtube.com/shorts/P0xzc4rgWsA?si=4KdaPzD3P1kmawUz

How does Noam not recognize that for decades now, white assholes have been psychologically-conditioned to pat themselves on the back as being *"good people"* for validating— *NOT verifying*— Jewish disinformation & lies while censoring & socially-alienating anyone who not only states easily provable facts, but who actually know what the hell they're talking about when they use the word Semitic..... ***Start with Wikipedia!!***

***Starting in the '80s with the rise of a post-ww2 generation of Jews & a modern media heavily infiltrated by them, the cincher* was to get a bunch of polite, Middle-American, white kids who weren't equipped to deal with the inappropriate, carping Jews & their flawed psyche to start to think of this shit as normal AND to genuflect to it.**

__FACT__: I predicted the dumbing of America would become a fait accompli back in '88 thanks to berating Jews who brazenly operated thru the BOOB TUBE & thru daily frontline assaults on the homefront thanks to JPD (Jewish Personality Disorder) which became the hand that rocked the cradle.. Of course, all this was LONG before it even completed it's 40 year round.

Funny, it's no different than me predicting ALL of Bill Ackman's attack moves against DEI & his war on the black, middle-class for not supporting Palestinian blood money as repayment for the decades that Jew TV has put into uplifting black trash as a means of undermining the white mainstream. .... ***Is it any wonder why Bill the Shill was pimping for Trump AND NOW HIS TARIFFS?!?! WHAT A GREAT FINANCIER!!*** https://www.foxnews.com/politics/former-chairman-joint-chiefs-staff-bids-farewell-heartfelt-social-media-post

__QUESTION__: Why was Jewish self-loathing & it's societal brainwashing something easily detected by a 12-year-old kid in the '80's, yet the white, American mainstream never protected their children from it back when it sunk its teeth into total, media domination & indoctrination?... Funny that I should have so many post-2000 Black, Near Eastern & Eastern European acquaintances throughout the years who've asked me similar questions & who've raised similar points about Jewish denial & hang-ups ***OR*** about White, Middle American ignorance & Jew pandering..

In case you missed it, our righteous & sane brethren over at the Irish Embassy have been under attack— ***much like Canada, Gaza, student-protesters, University faculty & the Ukraine have been*** **— and it all involves Jewish Terrorism or the backlash its "chess moves" create.... These "chess moves" or illusions are how activist-investors "create the conditions for a catastrophe to ensue" and by definition Donald Trump is nothing short of a catastrophe.**

Mark Mitchell of DEEP CAPTURE may not approve of me using his words in such a context; ***but in truth*****, what phony activist-investors & their sidekicks create is not much different than the illusion of "the well-heeled, sage Jew" to whom we are all beholden. *****Skip the intro & go straight to #1** https://thomasgober.com/rep-simon-cataldo-the-profile-of-a-jewish-terrorist-in-sheeps-clothing/

This was evident to me as a child when watching an inappropriate & thinly-veiled vehicle of white- degradation, slipped into your average primetime family sitcom which was exceptionally odd considering they were the mainstream in the '80s and '90s..

J__UST REMEMBER__: It takes Deep & Connected pockets to portray "Jewish liberalism" as the "good guy" when what it's really doing is showboating toxic role models & martyrs— *from Cosby to Rodney King*-— whilst turning around to throw an Ivy League, young, black man under the bus for effectively pointing it out ***instead of giving this unsung soldier the Nobel Peace Prize he so richly deserves!!*** Unfortunately, Jews deny this just like they've denied Mordecai Vanunu's human rights ***OR*** like Trump with his election denial.

MOREOVER, it takes deep & connected pockets and a whole lot of ***collectivism*** to make sure that thousands of journalists, regulators, attorneys, CFE's, CPA's & politicians turn a blind eye to everything on my website AND in the years of human rights atrocities while pounding in Holocaust agenda.

__FAST FORWARD__: The Black community stood against genocide w/PLM so now DEI is thrown under the bus as JewBoys like Bill Ackman— ***who NEVER* stood against DEI prior to PLM-**— now angles his revenge agenda & masta's whips straight at an anti-DEI campaign which he markets as a war on white-hate & Cultural Marxism WHICH THE JEWISH CONSTRUCT CREATED....

!!!!!NOTE, if you're reading this email and actually believe it's a coincidence that we're no longer experiencing sanctification campaigns for low-lifes like that moronic counterfeiter & street thug George Floyd AFTER October 7th 2023, ***then you're too stupid to live!*** No offense to my *Freedom of the Real Press* whistleblowers in todays email, but Jews are skulking, right-wing supremacists who always cloak their *"revenge & undermine"* agendas in a liberal wrapper***— AND NOW*** bone-headed, right-wing bigots are replicating this shoddy pretense... *Meanwhile*, true victims go ignored while hustlers get all the attention.

Likewise, ego-driven Jews love **ad hominem low-blows** that LOWER THE PRESTIGE OF DECENT people as it can effectively undermine the mainstream whilst portraying themselves as the hero. Don't be fooled***— it's misdirection!!!*** Much like Bill Ackman & his report on the flawed annotations that mysteriously surfaced against Claudine Gaye when in fact no one has any business looking into it...... ***Why would they??*** But alas, when the same thing surfaces about Bill's wife it's then labeled as anti-Semitism, a witch hunt, a smear campaign & fake news.

... In reality, it's just a bitchy tactic that leaves adults speechless who then fail to protect defenseless children being that it typically comes in the form of some sort of white guilt indoctrination. Palestinians have understood this one-sided news reporting from the start as have our ancestors***— ya' know, the alleged, torch-wielding villagers!.*** https://youtube.com/shorts/weWjg-4VJ3M?si=fmOaCur-76gDnIVW

BUT now white America is finally coming out of its dumbed-down stupor & understanding that Palestinians are not the **DESTABILIZERS** of society who seek to undermine law & order by uplifting vermin while vilifying decent people. The IDF as "law" & Jew apartheid as "order" is of course something that needs to be ***destabilized*** and a of Jewish & Arab coexistence prior to 1948 restored. Regardless, the running narrative is told by the ***sage, "defender of all mankind" Jew*** whose wisdom & over representation we must all defer to.

....NOR do Palestinians tank the economy for their own gain while their media cohorts portray them as heroes like back in 2008. That's the way of the Wandering Jew and it's nothing short of ***preppy terrorism.*** Just remember that the Jew's biggest fear is rational minds who they can't bullshit.

In other words, anyone who knows how the Jew thinks OR who can identify Jews by their ethnically Jewish features is a target of Jewish, hate crimes in which Jews portray themselves as the victim & the other guy as "the Nazi" for which Caucasian, trend-sucking, suburban, social-climbers & hipster trash functioning as *"rebels without the clue"* must stone. These drones believe that everyone is ***evil***, ***unworldly*** & ***uneducated*** for not going along with Jewish propaganda which extends to the genocide of Palestinians to the re-packaging of European peoples as Jews. ***This is minority conversion theory at play.***

************__THE DUMBING & JEWIFICATION OF HARVARD: Two Must-Reads!__ https://www.thecrimson.com/article/2025/3/29/harvard-cmes-director-departure/

__TOTALLY__ __INAPPROPRIATE__:: The below link to a petition is nothing more than Jewish bullying & "outing" tactics that come under the guise of altruism... In reality, it's just a Jewish wish hunt in which they attempt to make a person's right to privacy in a voting booth into public property... This is what dealing with the Jew is like and it's TOTALLY predictable.. NOTE, the following trash document is rife with double-standards & a Jew-skewed perspective.

https://www.harvardfacultystatement.com/

__BOTTOM__ __LINE__: I WIPE MY ASS WITH THIS PETITION AND SO SHOULD YOU!!!

Let's begin with ***eCutle***r who's openly unethical & out of line—*kind of like Donald Trump*— as the world has watched this interim dean fire three professors from the Center of Middle Eastern Studies and all because they spoke out against Israeli genocide instead of beating people down with Holocaust indoctrination 365 days a year... David Cutler is bought and paid for & doesn't represent the student body or the faculty despite attempting to give that skewed perspective with the following atrocious petition.

......For now, David Cutter needs to stop sucking Jew dick from his pulpit in some strange attempt to look like the defender of humanity— *__which is a Jewish ruse now__* ***__competitively__*** *__instilled in EVERYONE__*— and instead understand the depth of his superficial words!!... In other words, put away the flash cards and say something that actually makes sense & respects the true victims which includes the faculty and students, **NOT** just the Palestinians.

Meanwhile, the despicable, self-involved Jew– ***Larry Summers***— doesn't seem to understand that Lebanese people are Semitic **AND** that the ***"JEW.S.A"*** has been forced to live their lives through Jewish eyes every day of our fucking lives because the ***Inappropriate Jew*** doesn't understand that they're guests living among us who were kept in ghettoes for exactly this problem.

***Furthermore*, Israel is not European colonization.** It's simply a transfer of the Jewish problem that was inappropriately dumped in the lap of native peoples who were promised Palestine by British allies who betrayed them... *NOT anti-Semitic*— JUST A FACT!!!..... IT'S MORE COMPARABLE TO LIBERIA..

https://www.aljazeera.com/features/2018/4/10/how-britain-destroyed-the-palestinian-homeland

For now, I'm dealing with people at Harvard who are either too ignorant yet pompous **OR** too intellectually lackadaisical **OR** too crooked & pandering to understand that the Zionist movement is not a right of self-determination & to a Homeland. Therefore, let's start with some basics before we talk viable solutions, NOW bowing to Jewish Supremacy:

*....... Jews lost these supposed rights the minute they collectively abandoned a Middle Eastern Homeland 2,000 years ago ***AND*** encroached upon Europe with their kibbutzes & their re-naming of towns ***AND their FALSE identification as being ethnic Europeans & Jewish being just a religion despite their CONTRADICTORY misappropriation of European peasant women who were forced into pretending to be members of some defunct, Middle Eastern tribe.***

****.....It's exactly this overreach that rightfully earned haggling Jews containment within ghettoes AND ALL BECAUSE these nuisances couldn't give up the ghost— NOT THE PALESTINIANS— who are oftentimes just converted Jews that are more Jewish than most Jews except for Morocco's Jews OR unless you're David "papi" Einhorn & Marc Rowan who as Emmanuel Kant said "Jews are nothing more than Palestinians living among us".***

****....... To make matters worse, Jews have always played the victim if their host country refuses to be doormats to Jewish, underhanded counter-assimilation tactics which invariably translates into the European host country whoring-out their own people under the guise of freedom of religion to this ethno-religious, Middle East fringe group that parasitizes the host country by turning the native people against itself in what becomes a fractured identity & cognitive dissonance.***

Note, *this is what all the Jewish men in Hollywood sugarcoat as being normal when in reality all we're witnessing & being brainwashed by is a high profile, marketing campaign of counter-assimilation.. In other words, a slow- moving coup that begins with white whores, aka actresses & models who we stupidly idolize, because this is how the seduction of fraud works among a dumbed-down, middle class and Jews know it..(Apparently so did Dolly Parton which put her under attack instead of Jews being* ***put in*** *their place)* ****See Addendum..***

****...... AGAIN, this is what's earned Jews containment in ghettoes for mutual self-preservation purposes unless they wanted to assimilate— NOT attempt to counter assimilate their host country. On the other hand, Spain didn't have this problem with the Moors as cross, ethno-religious categories were institutionalized.***

BOTTOM LINE: A designer-imposter culture cannot *"reclaim their ancestral homeland"* in the Levant by importing Negroid people who disavow their Afrocentric identity & European people who are the products of white whores who were either taken as slave wives or who married for money...*ALL* of this conflicts with the basis of this ***ethnostate's*** claims of Levantine ancestral DNA that validates its existence, but alas the truth constantly changes with the Jew..... The ADL should agree with me tho being that they label the Khazar theory as *anti-Semitic* since it negates their ethnic claims to the Holy Land. In reality, it was a theory to explain a *"lost"* fringe group living among Europeans who weren't European, much like the gypsies (Roma)..

!!!! BUT I'M SURE THESE HARVARD EDUCATED PEOPLE UNDERSTAND THIS!!!!!

Nobody starts a Homeland based on a religion, ***ONLY*** the freedom of religion which is ***never the whole story*** unless they're mentally-ill like the Mormons of Utah or the Pilgrims who the English wanted to get rid of with the expectation being that they wouldn't last & that labor camp conditions would smarten them up.

...... Besides, there was an earlier attempt at a Jewish ethnostate prior to Israel that took place in Uganda and which obviously didn't include black people falsely claiming ancestral descent to Levantine tribes ***(which is something Christians & Muslims don't do***). Today, there are a couple of thousand Negroids whose culture has been fractured as they now falsely claim to be Jewish & part of this nation.

https://en.wikipedia.org/wiki/Uganda_Scheme

__BOTTOM__ __LINE__: Jews receive special treatment by maintaining a high degree of cronyism & by orchestrating slow-moving, marketing campaigns geared at skewing group perspectives. This is accomplished by bullying rational people with victimology ruses to ensure that they go along to get along. ***This is what's happening at Harvard and what this bullshit petition represents...***

Meanwhile, in order to skew that group perspective simply figure out what makes a person tick— *are they bullies or social climbers?* Respectively, convey that they're ***evil thugs*** or ***not high-end*** if they don't go along with these trendy lies... This is followed by turning the "dumbed-down" people against their own to act as a sort of grassroots IDF.

This petition represents nothing more than a Jewish witch hunt & harassment cloaked in altruism because that's how Jews work. All I see are over represented Jewish names. This is why these invaders with a persecution complex were contained in ghettoes.. It's just like I've said before that many people who came of age in the '60s and encountered Jews for the first time at top universities described Jews as *"loud, obnoxious, in your face & acted like they own the place".* **Sounds pretty accurate to me and as I've stated many times, nobody ever said terrorists were stupid & there's no worse terrorist than the one who plays the victim until they make themselves the victim.**

Maybe Ken Griffin of Citadel can keep all of the above in mind the next time he starts talking about "snowflakes" which has ABSOLUTELY NOTHING to do with these CENTRIST, student-protesters. Also, remember that Harvard has groomed, corporate terrorist with a twisted persecution complex who have attempted to withhold funding from Harvard for their lack of collusion in terms of not concealing human rights atrocities in a ***special interest*** country. This makes Ken completely out of touch on multiple levels especially for a man his age & in his line of work...OR is he just trying to ingratiate himself with rich Jews investing with him AND if he is then he should understand what these students are going through??

https://philanthropynewsdigest.org/news/ken-griffin-to-halt-support-for-harvard-unless-it-makes-changes

But for now, feel free to educate yourselves on ***Larry Summers of Harvard*** who's a personal friend of Jewish propagandist, ***Cheryl Sandberg of Meta who produced that piece of shit documentary on October 7th rapes being that Jews are the only ones who ever suffer which means that everyone else has to hear about it for the rest of their lives...This was something David Einhorn gave his kudos to by tweeting something profound like "rape is never cool".***

https://www.ohchr.org/en/press-releases/2025/03/more-human-can-bear-israels-systematic-use-sexual-reproductive-and-other

Harvard's own plotting & skulking Jewish supremacist, Larry Summers, states that the university has placed activism above academic excellence. This is nothing more than hypocrisy & double-standards tied together with a fake voice of reason. Activism is NOT an academic major, it's an immediate need at this time ***AND*** if these students were protesting any other Middle Eastern country they would be glorified in the media by a collective of Jewish, sham activists AND *any* ***moderate*** voices who opposed them would be irrationally vilified & socially-alienated. *Unfortunately*, these TRUE VICTIMS CAN NEVER PROSECUTE because we're all kept under the Jew thumb which used to include their idiot sycophants...***The student protesters ripped off these chains.....*** https://mapliberation.org/plain/entities/MIT.html

Furthermore, this insidious mouthpiece ***Larry Summers*** has no business making such an accusation when Jewish activism has done nothing for years other than take swipes at undermining the mainstream AND the underpaid police force by glorifying the dregs of society like Michael Brown of Missouri. THESE are the smarmy "causes" that have ultimately placed the public's safety at risk AND ALL while hiding behind a fake & intractable mask of self-righteousness. ***Note***, ***it took an unsung, young black man at Harvard to point this out which sent the Jews reeling & DEI flying in reverse.***

https://www.yahoo.com/news/young-black-scientist-discovered-pivotal-141106871.html

As of now, Jewish donors like ***Ackman & Loeb*** want to boycott, divest & sanction these students in the professional world. If this is the case, then we need to do the same to Pershing, Israel & Barbie. Better yet, remind Jews of their place and if that takes legislation then so be it. Edward Longshanks never would have stood for this shakedown NOR would he be guilty of committing shakedowns against his own people like this red-headed nigga' for the Jew we call Donald Trump. When Jewish investors tried these stunts with Edward I, he appropriated their wealth then put them on a boat to nowhere. ***The man had the right idea!!***

***** If MIT is terminating ties then why isn't Harvard....*** https://electronicintifada.net/content/how-research-mit-abets-israels-genocide-gaza/50250

Potential employers are not supposed to ask about a woman and her plans of getting pregnant in the near future. And quite frankly, a person's view on these protests are not something that should come into an interview room as well.. Bill Ackman wanted to organize an ACTIVIST GESTAPO to collect student names under the smarmy guise of "if you're not ashamed to protest, then you shouldn't be ashamed to reveal your identity".

Does Ackman think the student protesters are wearing masks because they think it's mischief night? It's because Inappropriate Jews like him think they're the tail that can wag the dog & they've been doing it for years by making white people into sycophants for the Jews who will turn on their own for all the wrong reasons.

This crap has been reaching through your television set for decades while taking control of your mind & dumbing down your own people who are too stupid to even understand what the word anti-Semitic means whilst turning them against people who do. Perhaps this should be an indication to Donald Trump that he's targeting the wrong people & institutions.

After all, Ivanka Trump is proof that everything I just stated is absolutely correct. Why does one think that Marc Rowan was trying to suppress Israeli atrocities at UPenn while pushing a Holocaust indoctrination & white guilt campaign?? ... It's just one small step from Holocaust indoctrination to critical race theory that pit underdogs against the white mainstream by getting us all to live in a bygone era & looking to the Jew for approval. Since black people went PLM, DEI When the way of the dinosaur— ***NO COINCIDENCE***!!!

****** The US has been an accomplice to Israeli crimes for decades AND now the international Jew has gotten a bunch of Evangelical boneheads w/a chip on their shoulder to continue to silence it while betraying their own people being that Jews like to pit people against each other. In an op-ed for The Free Press, Danielle Shapiro, a senior at Princeton, said she was targeted with anti-Semitic slurs, including being told to "go back to Europe" and being called "inbred swine" by some protesters.

BOTTOM LINE: Telling Danielle Shapiro to *"go back to Europe"* is NOT anti-Semitic because Jews are NOT European— THEY'RE SEMITIC!!! Also, there is a high level of inbreeding between both Arabs & Jews which is NOT an insult, *just a fact*. I truly don't know who's dumber at this point— *Danielle Shapiro OR the student-protesters??!?!*

..... And this is what's attending an Ivy League university?! *When I look at Danielle Shapiro I see Jewish features. Not a bad looking girl, just horsey- looking, Jewish features.*

.....*BUT NOTE, anyone who's attending a lecture by Naftali Bennett absolutely deserves to be targeted... it makes a hell of a lot more sense then running a smear campaign on me by labeling me as being Anti-Semitic for telling somebody they look Jewish OR they're not a real Jew!*

Also, there's no reason why Naftali Bennett should be tolerated on campus when Jew controlled Hollywood can't even tolerate Kanye West & Mel Gibson OR Dolly Parton for saying that Jews want to undermine Christianity in Hollywood.. Those weren't Dolly's exact words, but close enough and she's absolutely right!....See my addendum...

..... One more thing, why do we have people claiming to be journalists who don't understand this???

******* Speaking of bygone eras & systemic discrimination, the following is an excerpt from the Magdeburg Rights wherein...***

Wikipedia —— *"Jews lived under privileges that they carefully negotiated with the king or emperor. They were not subject to city jurisdiction. These privileges guaranteed that they could maintain communal autonomy, live according to their laws, and be subjected directly to the royal jurisdiction in matters concerning Jews and Christians. One of the provisions granted to Jews was that a Jew could not be compelled to be a Gewährsmann informant; that is, he had the right to keep confidential how he had acquired objects in his possession. A Jew with this right could voluntarily divulge who had gifted, sold, or loaned him the object, but it was illegal to coerce him to say"*...***SOME THINGS NEVER F*CKING CHANGE!!!***

...***Clearly***, Jews love to have their cake & to eat it too just as they also expect everyone to go along with it. It kind of reminds me of dual citizenship between Israelis and that of a European country wherein the Israeli never actually lived **NOR** were their Semitic descendants anything more than near eastern transplants living a life of privilege under the Magdeburg Rights. .....Meanwhile, I don't hear of any Balkan Turks asking for a right of return as they understand why they were thrown out.

Speaking of Magdeburg, the German car crash in Magdeburg by a Saudi Zionist was committed by someone who I'm sure looks far more like the original Levantine, Jewish invaders of the Middle Ages before acts of Jewish overreach & terrorism were committed, ie. *taking European women & having them convert to some 12 tribes bullshit.* ***Don't believe me?*** Just look at all the old-school, hooked-nose Jew cartoons which Jews take offense to because they don't want to be portrayed as what they really are and should be. Anything less is overreach & racial misappropriation.

After all, how does one produce a wife like ***Keir Starmer's*** who's then used to attract white men in order to produce *"Eurocentric"* looking children with no Jewish features who are consequently raised outside of their true Eurocentric Christian ***culture*** while Jews misappropriate other facets of their European host country's culture then slap that "Jewish" label on it.

.....*Or worse, they call it "Ashkenazi Jewish cooking" or "Sephardi" when there's no such thing be*cause they're just ripping off the white man and calling it their own except for matzo ball which I'm convinced is an adaptation of kibbeh. *Meanwhile*, Jewish activism tries to string out the white man for cultural appropriation for using peanuts and tomatoes in their cooking as if Southeast Asia & sub-Saharan Africans haven't made their own distinct use of these Peruvian ingredients! ***This was like before October 7th 2023 in this country— DON'T forget it!!!***

The only thing worse is some idiot, Gulf Jew from my Harvard Ashkelon dig with the Semitic Museum who talked about all the different ethnicities coming to Israel and bringing different foods of their various ethnic backgrounds while not understanding that Jews from Europe are not supposed to be European. This is what's tolerated at Harvard & its intolerable and I write about my experiences in the coming pages.

On the other hand, a swarthy Gulf Jew from Israel who was working at a kiosk in the mall pointed out her muddled, Russian-Jewish partner with red hair and said he's from Russia, "***but you can still tell he's Jewish, he's got a big nose!"*** .... Then the two of us got to talking !!......What I'm saying is there's too much inconsistency **AND** I'm finding more knowledgeable people *outside* of the Ivy League whereas I'm finding the simpletons & pseudo-intellectuals *within* like that dipshit Daria Baugh to congratulated herself on some pandering documentary regarding the origins of anti-Semitism.

Finally, this preppy, terrorist cult expects everyone to grant Jews a Homeland— *as if it's their God-given right*— when they're in fact oftentimes ***parasitizing*** their host country at which point they want to take what's not theirs to this designer-imposter Homeland.... Besides that, by giving Jews their own country we've witnessed how these fake & full of shit, Holocaust-indoctrinating, Jewish *"defenders of humanity"* have been ***aggressively*** doing ***all along*** to the Palestinians what they've been doing to the white man ***passive aggressively. Take notes,*** this is how 2 to 3% of the population overthrows a country from the inside out and it all goes back to the ***conversion theory of minority influence***.

__Referencing the first couple of pages from my Addendum "Trans Across America" which is also addressed to Elise Stefanik & Alvin Bragg__*,** conversion theory of minority influence has much to do with how Jews skew rational judgment & basic knowledge which is comparable to how they've skewed the Palestinian population from 90% to 10% AND how the Wandering Jew creates the illusion that it's the Wandering Palestinian who won't give up the fight— ***NOT the wandering Jew who left 2,000 years ago wherein only a handful remained with many of them converting to Islam & being re-labeled as Palestinians being that Jews were a defunct group along with the Assyrians (Syria).

Meanwhile, espousing nonsense that a person can convert their ethnicity despite peasant women in Europe not being literate enough to convert is a very presumptuous interpretation of DNA evidence which shows how Jews make up nonsense as they go along. Therefore, by the Jew's own standards, 80% of Jews aren't even Jewish— *just an* **invasive cult** *& a* **dominant gene pool.** This of course harkens back to the DNA claim that 80% of Ashkenazi Jews are descended from Near Eastern men which is code for Semitic, ethnic Jews who married Northern European women (Central and Eastern) who had converted.

On the other hand, they paint the Arab world as their persecutors as opposed to the protectors of Moroccan Jews who originally suffered abuses at the hands of the Eurocentric, Jewish Nazi Uncle Tom's responsible for creating an imposter-designer country which looked at them as the *"black vote"— much like the mulatto founders of Liberia.*

.....But what's done is done & what needs to be done is regulation of Jewish overreach & ethnic theft which will respect the integrity of the country while re-assimilating outsiders back to their own people. Within Israel, there's no reason why there shouldn't be integration & assistance in terms of achieving the coexistence between Arabs and Jews that existed prior to 1948. This also means that imposter Jews must exit Israel & revert back to their true heritage, Christianity, as they are not descended from the Levant.

This means no Ivanka Trump and her kids, no Falashas & no Esti Ginzberg or Patty Lipton pretending to be Jewish when they're nothing more than the product of Slavic whores, aka. "shiksas" who've been converted thus they has as much business calling themselves Jewish as Anderson Cooper has calling himself black & defining it as just a culture, not a race. All of this is much fairer than these "return" laws.

This is the petition people need to sign!!!

!!!!!! The Dumbing of Columbia University!!!!!!!

The following abomination, ***Lucca Ruggieri***, really belongs in next week's post that discusses what Brian Levin of ***the Center for the Study of Hate & Extremism*** refers to as "***mutations***".

https://nypost.com/2025/03/20/us-news/columbia-student-who-penned-wsj-op-ed-praising-mahmoud-khalil-arrest-received-death-threats-these-people-are-ridiculous/

But for now, I'm convinced that Fox News is profiling ***Lucca*** simply because they want guest speakers on the show who aren't completely pedestrian like that of the lispy, Greg Gutfeld **NOR** someone who comes across as a militant reject from a Carrie Underwood concert like Tomi Lauren.

*** ***At least she's pro-choice, but not sure that makes her a "pundit"..***

https://www.cbsnews.com/news/i-will-be-attacked-by-fellow-conservatives-for-saying-this-tomi-lahren-shares-surprising-opinion-on-alabama-abortion/

......But back to, LUCCA RUGGIERI who's nothing more than a man-child & a right-wing, nationalist version of an ABC afterschool special.

The ***IMPOSTER Italian, Lucca Ruggieri,*** talks about deporting Palestinians without acknowledging that we should've been talking ***hundreds of years ago*** about deporting Jews back to the Middle East when this transient, haggling culture invaded Europe for white women & institutional control just before being contained in ghettoes for the self-preservation of both while maintaining them as useful members of the population under the protection of the king, similar to Moroccan Jews under the Sultan. In Europe, Jews maintained it almost invisible nation much like they do in the U.S. and much like Jesus promoted under the Romans while cutting out religious elitism, **ie**. *12 apostles for 12 tribes.*

Nonetheless, Emmanuel Kant was right when he said that Jews are nothing more than Palestinians living among us. I've seen a few Palestinians who look like Shabbos Kastenbaum, but we all know that's because of the crusades whereas Shabbos is straight up racial misappropriation performed on European soil wherein he represents not only a form of Jewish terrorism, but also a mental health crisis & what the white man before World War II was calling the Jewification of Europe thanks to ghetto emancipation. After that, Jews were given enough time to bastardize ethno-religious boundaries which always separated Jews from the multiple, European peoples of their host country. ***But Palestinians are more multi-religious...***

So is Lucca anti-Semitic against Palestinians OR just anti-Muslim? Martin Luther wasn't anti-Semitic against Jews, but he was anti-Judaistic.

At this point, both ***Shabbos Kastenbaum & Lucca Ruggieri***—- *like transsexuals*— need to check themselves into the nearest mental health clinic as they both suffer from identity issues. Kastenbaum needs to understand that he cannot identify as an ethnic German as it negates any ancestral birthright to the Middle East. Also, the German culture is a Catholic Protestant one that has—*much like the rest of Europe*— redressed Jesus with local pagan traditions in much the same way that the Chinese have redressed an Indian man like Buddha as Chinese.

Speaking of Germans, there are close to no Italians who look like Lucca and the few who do are in the Alps like Milan & Lombardy with the latter being named for Germanic tribes. ***Imposters*** like Lucca are the products of "barbaric", German invaders who destroyed the last vestiges of the Roman empire AND who are the reason why Jews of the Roman empire migrated out of the Italian peninsula and into Northern Europe.

...... In Lucca's case, he's not even a mix of native, Mediterranean people with that of the Germanic invaders. He's simply pure German!!

QUESTION: Why aren't we deporting Lucca back to Germany??

ANSWER: Because Lucca's from the highest class who looks down on all the guidos to the South like Theresa Guiduce from the Housewives of New Jersey who doesn't realize that nobody in Northern Italy wants to relate to her bronzed daughter, Milania (as in Milan) as a **paisano**...Note, this is very similar to the Aryan invasion of India that created its ***colorism***.

SNAPSHOT!... What we have with ***Lucca*** is a Nordic supremacist pretending to be Italian— *whilst denying being a fascist*—as he defends Nazi Jews & Jewish quadroons w/an Uncle Tom complex because Lucca's too stupid & too born yesterday to understand that his ancestors would be rolling over in their graves knowing that Lucca's this easily duped by an old-fashioned, Jewish "race swap" scam.

..... In other words, Jews are trying to ***misdirect*** our attention to a ***new enemy*** just as campaign manager, ***George Birnbaum***, did to get Viktor Orban & Netanyahu elected..... ***But are there enemies our enemies?*** They were British allies actually until they were betrayed by the Brits who gave away the land promised for helping to defeat the Ottomans... Then again, how do you trust the English who made their wealth by pushing opium on the Chinese in order to force trade??

Meanwhile, Palestinians just want American accomplices to acknowledge that they've assisted in Jewish terrorism & human rights atrocities for decades which has enabled Jews to steal more Arab land to fill with imposter Jews who they've stolen from the white mainstream and slapped a Jewish label on then called it their ancestral homeland.

.......And all the while we've been enslaved, degraded & berated— *not educated*—on "coddle the Jew", Holocaust indoctrination while information is withheld, not just on Palestine, but on Jewish infringements in Europe prior to the war and if we actually begin to notice understand them & see obvious ethnic differences we're only served false accusations of anti-Semitism along with compounded lies.

.. ***Before you complain about Palestinians being in our country, just remember that they were in their rightful country and only now in the U.S. because the Brits betrayed their promises to their Palestinian allies by giving away their Homeland to the Wandering Jew just as we're giving away the proverbial farm to them right here, right now & we've been so dumbed down by the Jew that we pat ourselves on the back for doing so.***

https://www.iwm.org.uk/history/why-did-britain-promise-palestine-to-arabs-and-zionists#:~:text=But%20when%20the%20Balfour%20Declaration,be%20an%20internationally%20administered%20zone

On a final note, the Wall Street journal will print Lucca's mindless dribble & Jewish rhetoric, BUT they won't print what I have said about their donors being provable, corporate terrorists because we all know that one hand feeds the other. Likewise, Jewish dirty money will prop up frauds like Cheryl Strauss Einhorn and Neri Oxman who both constitute nothing more than Jewish, marketing schemes.

i.e. Nobody needs Neri's big ugly silkworm bird nest at the MoMA. There are textile studies & materials engineering departments to take care of that when MIT isn't developing weapons of mass destruction for Israel.... NERI is an academic interloper who Bill Ackman has taken to because she's not as horribly, Jewish-looking as himself and his first wife.

S*imilarly*, no one needs a cross-eyed dingbat like Cheryl Strauss Einhorn at Cornell claiming to be some pioneer in the fusion of self-help & management studies. In other words, we don't need another "over financed", asinine housewife with delusions of grandeur cutting & pasting clippings from everyone's old sophomore intro to marketing & management textbooks that ends with a eureka moment....... Tho I guess it's more benign than her former lifetime in which she promoted corporate fixers in the early 2000s who led to the 2008 crash.

Note, I request that Columbia faculty & students forward this email to that Italian wannabe, Lucca Ruggieri, in hoards...

************ What a Jew is?? There is no legitimate, expanded definition****************

Jewish Terrorism is a loosely-organized, supremacist hate-group that relies on a high level of clannish collusion for which converts & tokens like black or Asian imposter Jews are all just tourists, anomalies & pawns with identity issues, **NOT** offshoots of 12 defunct tribes. (*See screenshots)*...

In reality, Asian Jews are a modern invention and nothing more a byproduct of Jewish traders from the so-called Second Diaspora– *the Spanish expulsion*— who converted small bands of locals in places like Ghana, India & China to serve as a preferred point of future contact. This is probably why one Indian man made a comment (Quora?) about the Indian Jews being real hagglers– *even for Indian standards*— who hoarded wealth. It's also proof of how Jews fracture the nature of their host country by turning natives against their own as ***Jewish is not just a religion like Islam or Christianity despite their respective ethnocentric undertones.***

In other words, ***Blacks & Asians (Mongol/Indian) are not real Jews,*** yet their loyalties are with an **ethnostate** that doesn't reflect who they are. The ADL has already agreed with me that Israel is a nation founded in the Middle East on ***ethnic grounds*** and to call people from 3,000 years ago your ancestors had better come with some significant DNA backing & a phenotype.

Also, ***the Sassoon dynasty*** of Iraqi Jews who went from being Middle Eastern hagglers to Western power brokers— *much like their Ashkenazi cousins*—represent nothing but a hot bed of opium money that got cleansed with philanthropy. Of course, this came in the form of Jewish, agenda-pushing of synagogues on non-Semitic people.

..... This dynasty— *no relation to Vidal*-— also managed to wrangle its way into Europe's upper, social echelons thanks to your usual array of thoroughly useless Eurotrash, socialite-whores who helped cleanse them of their Semitic blood whilst effectively committing a massive breach of overreach in terms of counter-assimilation that changed the nature of the country and its people, ***ie. Zac Goldstone, Paris Hilton & Kier Starmer's kids.***

In other words, raising the not-so Jewish offspring as Jewish despite Jews having been contained in ghettoes in order prevent this blurring of ethno-religious lines ***unless*** willing to assimilate to the European culture starting with religion & typically enrollment in a university which would then lead to a gradual ethnic assimilation ***if occurring on a graduated scale being that the Jewish Near Eastern gene pool was more dominant than that of Europeans, especially those north of Rome & Greece...***

...... Incidentally, Netanyahu didn't want to allow Syrian refugees who are Semitic into Israel as *"it would change the nature of the country". Funny* how *these* double-standards seem to apply only to the Eurocentric, Christian world.

To be more clear, ***counter-assimilation*** is not taking some atypical, Jewish-looking person like Bob Dylan who converted to Christianity then converting him back to Judaism. After all, you have Messianic Jews who retain their ethnic identification despite being perceived as being Christianized traitors by fellow Jews who are the true anti-Semites that criticize Jennifer Gray for looking to Jewish in *"Dirty Dancing".*

Counter-assimilation is making faux Jews out of white people OR it's Steven Spielberg converting an assimilated, mixed-race Jewess like Amy Irving to Judaism being that it's the eponymous religion of an ethnic group and anything less is it's bastardization & proof of Jewish infringements.

Note, this Jewifying of white people is an insidious, counter-assimilating, slow-moving coup by only 2 to 3% of the population *with many Jews already having been racially compromised. Unfortunately,* this only encourages them to pretend that it's just a religion instead of admitting that they're out of line... After all, they abuse the word Semitic & have to understand what it means?!. Someone like myself understood the word long before volunteering at ***Harvard's Semitic Museum.***

.....***Likewise***, this leaves the question of why Jews who've stepped outside of their fish bowl community to assimilate (intermarry) are instead counter-assimilating by re-packaging members of their host country as Jews? ***More cognitive dissonance? Or blatant overreach?***

Simple, it's because Jews are either pretending that it's just a religion despite looking ethnically Jewish (which is also code for near eastern inbreds) **OR** by pretending that white, European peoples are now the descendants of some defunct, desert tribe thanks to the authentic, ethnic Jews who've recruited non-MENA people via a religious conversion & or tribal adoption.

This also would imply that the ADL— *who labels the Khazar theory as anti-Semitic*— needs to admit that converts, Falashas & Patty Lipton are not real Jews, just the products of Uncle Tom's & white whores both of whom are identifying with 12 defunct tribes that have absolutely nothing to do with them.

https://www.adl.org/resources/article/untangling-false-claims-about-ashkenazi-jews-khazars-and-israel

IN OTHER WORDS, for many Jew there's just a whole lot of **making bullshit up** as you go along, **normalizing of terrorism**, **talking out both sides of your mouth**, **convincing yourself of a false reality** & if anyone calls them out on it, just play the victim.

Note, when Christians and Muslims conquer they don't deny it NOR do they pretend to be some ethnostate one minute and then another story the next... This is all beyond your usual realm of religious mysticism. *Unfortunately*, Jews in America have been trying to normalize this by shaming everyone, dumbing them down & keeping them walking on eggshells for double-talk. Conversely, it's why Jews were not only kept in ghettoes in Europe, but also why Ethiopia's imposter Jews were called *"strangers"* or Falashas by their own people.

Incidentally, these Falashas were forced to convert upon their arrival to Israel as they weren't viewed as real Jews which obviously some stupid, make-believe conversion won't cure. Furthermore, Falasha ***hate-talk*** deemed contact with mainstream, Christian Ethiopians to be impure which makes one ask who the real victim is especially when noting how this fictionalized lost tribe turned people against their own true identity.

Meanwhile, the Falasha "Uncle Tom's" don't understand that they don't qualify as members of any lost tribes NOR was Sheba black. She was a Gulf Arab (Southern Semite) who converted to Judaism & Solomon was a Levantine Semite whereas the Ethiopians are a Cushite race who speak an Ethio-Semitic language thought to have developed from a proto-Ethio-Semitic language that may have come from Southern Arabian migrants who intermixed with the native people who spoke Cushitic languages.

Note, Somalians are 40% Caucasian yet they still adhere to an African identity unlike fake Ethiopian Jews who over identify with ***imagined*** Caucasian descent as they believe that their Homeland is in the Middle East AND that they're descended from some 12 Middle Eastern tribes whether it be thru the Lost Tribe of Dan OR some Solomon & Sheba story despite DNA evidence being conclusive that they're not descended from Israelites AND they probably don't go back any further than the 14th century.

In other words, your average African-American has more business identifying with Thomas Jefferson than your average Falasha has identifying with 12 defunct, Levantine tribes.... ***The same thing goes for the deranged Shabbos Kastenbaum who personifies the fractures Jews create in their host country that range from Racial Theft, Identity Crisis & dishonest, cultural mutations.***

Incidentally, the Jews of Quora have been pushing a fake ***Beta*** tribe that never existed. Coincidence or not, the *"beta wolf"* is the lower-ranking wolf, second to the alpha male. In other words, the proud Falasha who've betrayed their Cushite heritage have to learn that *"they be the Jew's niggers"* just like they were in the U.S. before PLM & no different than Sub-Saharan Negroid people were to North African Hamites & Semites who created a social order of real Moors vs black Moors in Mauritania (*"Haritan"*). https://youtu.be/PvH5DULCA3w?si=LSaPTKL9J7mR-4Ui

******40% is no longer a minority, It's a threat..*** https://minorityrights.org/communities/haratines/

If Jews try to tell a person that they embrace Ethiopian Jews as real Jews, it's because they're trying to falsely inflate their numbers while appearing inclusive. In other words, this is a smug play for dominance AND a total contradiction for people who're supposed to be an ***ethnostate.***

Meanwhile, Christianity remains the one religion with at least one black wise man before the religion was virtually re-centered in Europe which all but cut out blacks, women & largely alienated many near easterners due to the Trinity which was seen as the confusing form of polytheism that it is. Outside of Europe, Ethiopia, Armenia & Maronite Christians were the stronghold with the right idea.

Let's not forget the word ***Africa*** is derived from a Berber (Hamitic) word for a portion of Carthage. Likewise, the Arabic word for slave & black is interchangeable. Nowadays, the native Mauritanias are being overrun by their own former slaves & mulattoes ever since a 1980 law abolished slavery in the country.. *Do we need to find this third race a country, too?*

https://www.google.com/search?q=mauritania+black+moors&sca_esv=181e9cfcc41c4f59&sxsrf=AHTn8zrI2xzFWYu1_zNh_EtpxeLLPBE22Q%3A1740430804156&ei=1N28Z7GWCZbI5NoP-OS-6Ac

**** SEE BELOW LINK: If Caribbean leaders expect restitution outside of things such as the establishment of Liberia OR martial law installed in Haiti (*which should have happened long ago*) OR investment partnerships geared at priming the islands for tourism, then they can suck it out of my asshole because we've ALL suffered & the sub-Saharan African countries who sold them out are already either moving to Europe OR getting handouts from Western countries due to their current state of climate change, tribal wars, lack of jobs, lack of population control & gender inequality that impedes growth. In other words, stop blaming slave days & colonization which brought them into the western fold.**

https://www.theguardian.com/world/2025/feb/21/caribbean-leaders-slavery-reparations

......If anything, the younger generation is abandoning an old way of life that's at risk of being lost to time as they embrace westernization.

This brings to mind an Indian friend who said that Islam spread in India because it attracted weak links in society, ie., *the poor or women*, then specifically pointed out African-Americans in the prison system converting to Islam. I told him that he was touching upon something Europeans have always said about Jews especially as it relates to women who married for financial security. In fact, Jewish women said it first. I did add however that white prisoners leans more towards "born again" Christians whereas the black prisoners that are drawn to Islam do so as they ***wrongfully*** construe it as being a break from the slave master's religion & as a reconnection with the religion of their forefathers...

......And then there's ***Tiffany Haddish, t***he half African-American & half Ethiopian actress who converted to Judaism. Tiffany isn't unlike those black prisoners searching for some identity & filled with self-loathing being that she clearly didn't want to see herself or to have others see her as just more "broke, black & ghetto" living out of her car after her ***multicultural***, Ethiopian faux-Jew cabbie father abandoned the family. I guess it made sense to *"be different"* by dishonoring the African-American Christian mother who stood by her & the Christian society she was born into that gave her a chance in favor of becoming a token for the Jews in Hollywood & the blacks in Compton.

Slumrats like Tiffany are no different than the ignorant African-Americans who like to spout off that ancient Egyptians & Israelites were Negroid, much like that of Shonda Rhimes, the plebian writer-producer who's beloved by every gay hairdresser, fat housewife & Junior college graduate as she portrays Queen Charlotte as black in order to install Black pride being that she's too stupid to understand that any Moorish lineage from Charlotte's Portuguese side of the family would not only be minuscule, but it wouldn't be negroid. But double-standards allow Shonda to get away with both stupidity & cultural appropriation while never understanding that she's a big part of the reason why real Africans often look down at African-Americans.

.....***But back to the mainstream Jews, NOT anomalies who should've been fully assimilated by now, NOT encouraged to overpopulate…***

** ***Note***, the return of the fake Jew academic ***Ashley Montague*** who sabotaged UPenn's ***Carleton Coons*** of being a racist for saying that Negroid was a race seems to be indulging in describing it in his own vivid words (see "Physical Features").. ***This is the guy who denied the existence of race and called it a construct***.. https://en.wikipedia.org/wiki/Negroid#:~:text=Negroid%20(less%20commonly%20called%20Congoid)%20is%20an,parts%20of%20South%20and%20Southeast%20Asia%20(Negritos

Montague reminds me of this Jew I had to contend with who pretended to be the defender of humanity by asking me with faux indignation why they took black slaves from Africa & not white people from Europe? I asked him if he were really this stupid or just being an old-fashioned, dirty Jew that pretends to give a shit about anybody but Jews in order to stir up the mud? His jaw dropped and then I asked him to answer why Jewish slave traders were so overrepresented in Brazil which today is the second blackest country in the world. I told him not to bother with his anti-Semitic bullshit on me before proceeding with my answer to his original question:

"......*serfdom & Vikings went out of vogue in Europe long before this time & the black man at the time was selling their own people off the coast of Africa which was geographically lateral to the new world. Meanwhile, all the American Indians were dying off since they didn't have the same immunity to the diseases that Africans had who were also bigger & stronger.*

Furthermore, pastoral people always make easy targets especially when less guilt from "familial identification" is involved & the black chieftains were marrying off their daughters to slave traders… Nowadays, white people rail against human trafficking whereas black people are still selling black people."

Incidentally, this is the same Hollywood JewBoy who made anti-Slavic jokes which he said were the running gag around Hollywood or JewYWood which is strange to me considering that the only times Jews are considered attractive especially by other Jews is when they've been diluted with enough Slavic or Germanic blood so that they can produce children who look like Anna Kournikova, **NOT** *Amy Winehouse or Mayim Bialik.*

In other words, Jews like to create **hot button** *groups who they can uplift while enforcing the expectation that all white people are to jump through hoops for these "hot buttons"—-* ***but feel free to treat all other white ethnic groups like shit to prove how objective you really are!***

Remember, these diamond trading Jews who popularized birthstones (based upon the 12 tribes) by as late as the 1500s weren't getting these stones in Europe; but probably places like Kazakhstan, the birthplace of apples & a cradle of the Silk Road Diamond trade. I might even speculate that the rise of bagels in Poland and the Ukraine coincided around the time of birthstones in the 1500's and following bread may have been its precursor. https://www.vecteezy.com/photo/46614918-traditional-asian-flatbread-kazakh-tandoor-bread-on-counter-at-the-bazaar-in-kazakhstan

Of course, Jews take credit for bagels regardless of its derivation because Jews are usurpers of other people's cultures, the white man's race & the Arabs land. Meanwhile, the eternal Jew endlessly carps & enforces the miseducation of their suffering at the hands of Pharaohs, Kings & the church ALL of whom made Jews very comfortable.

This is all part of the Jewish persecution myth they create then shove down everyone's throats until it becomes a self-realizing prophecy. The usual bullshit narrative involves Jews harping on blood libel & being locked out of other industries and limited to money lending & tax collecting as opposed to the truth being that that's what they did in ancient Egypt for the Pharaoh & what made them useful in Christian Europe at a time when usury was viewed as unsavory.

Bottom line, Jews are a splinter group of Middle Eastern hagglers who're attracted to concentrated sources of wealth & disinformation. Their minds & perspectives are so warped that they actually complain about having to fill a middle-class void in medieval Europe which prevented them from having to pick up a shovel & get dirt under their nails like everyone else.

Likewise, racially accurate drawings & caricatures of Jewish features are wrongly labeled as ***anti-Semitic*** simply because Jews don't want to acknowledge that these portrayals aren't that much different than all the ugly Jews in Hollywood & every New York City Law firm combined.....***except*** for when you're dealing with the product of Slavic-Germanic whores like that of Stella Adler who was a traitor to her race & proof of Jewish, racial misappropriation by this Middle Eastern clique that reminds me of a preppy version of ISIS.

Jews have always been an ethnoreligious group that was problematic but useful for pre-Islamic, Middle Easterners before they ever migrated into Europe and created a very oppositional subculture which is best seen by the fact that Jews are the only group that comes into a country at 2% and "re-packages" the host country's culture as their own. In other words, Christians and Muslims invade a country and they transpose themselves on top of the country and the two meld, but everyone knows whose influences are whose.

On the other hand, Jews literally claim all sorts of European foods & culture as being Jewish when the reality is that the only foods that are actually Jewish are the ones of a Levantine origin. Think about it, if it were just a religion then bagels & babka should called be called Catholic or Orthodox Christian bread which sounds pretty silly; ***but if it's a race***, then why on Earth would a Middle Eastern culture take credit for Northern European baked goods?…

This is cultural appropriation!……. And it's something Seth Zalkin of Brooklyn brands doesn't want to admit because he, like all Jews, know that they can get away with murder & theft simply by socially conditioning Americans to be stupid & servile…. These are not Jewish foods as Seth is pure-bred descendant of the Arab hagglers who invaded Europe in the Middle Ages and had to be contained in ghettoes to prevent Jewish Overreach.

Conversely, anything less than people of Near Eastern to South Caucuses derivation is not ethnically Jewish, just racial misappropriation "***legitimized***" by nonsensical, science-fiction based Jewish law that's superimposed in our lives. This is especially true when one considers that Jews have largely viewed themselves as a "people without a nation" and were contained in the ghettoes of Europe to keep it that way. Call it Self-Preservation of both people. Thus, even when they weren't a nation (*not unlike* **undisplaced** *Germans who were never a country until 1871*) they retained their identity just like Armenians did in Turkey.

The ADL should agree that it'd be intellectually dishonest to say that an ethnic identity ***isn***'t attached to this Jewish "*nation*". This means that we're looking at people living in Europe for centuries who are similar to the Lebanese *es*pecially as Ashkenazi Jews identify ethnically, **not just religiously**, to the Israelites unless their existing in a state of cognitive dissonance and don't want to embrace their Middle Eastern heritage. If that were the case, then they should be assimilating to their Christian mainstream society **especially** if it's somebody like Alicia Silverstone who's a product of converts used to breed out the dreaded Jewface whilst breeding in blonde hair & blue eyes.

***** *NOTE*, Moroccan Jews are probably the closest to the original Israelites & The one era the country that's done more than any revived its Jewish heritage which included protecting them from early abuses in the establishment of the Israeli State.**

QUORA: Nothing proves Jewish double-talk, chicanery & overreach better than a Jewess claiming that Ashkenazi Jews who adopted a black baby & raised the kid as Jewish had thereby made the child an ethnic Jew. Clearly, she doesn't understand the definition of the word ethnic. Moreover, this science-fiction DEI is in reality the act of falsely inflating numbers AND of permitting insanity & uncensored disinformation due to Jewish privilege, instead of Jewish regulation. This is a dangerous movement that used to be contained!

These are all real ARAB JEWS of inbred, bottleneck populations contained in Europe for centuries & anything less is racial misappropriation OR a hybrid like "high yellow" Mark Zuckerberg. Also note that Jews love to describe themselves starting with their ***least*** Jewish-looking feature AND for the sole reason that they don't want you to see that Tony Shalhoub from ***Men In Black*** along with Jamie Farr look like your average Jew cartoons while Kathy Najimi is every fat, Jewish girl like Chandra Levy or a pre-anorexia Amy Winehouse.

∗∗Israel is best seen as a replay of American blacks settling Liberia & the conflicts that ensued…… But as far as I know, Liberia never had the nonsense of adopting non-Negroid "converts" into the country.

…… **Speaking of which,** there are faux Jews like the re-packaged, Slavic-Germanic whores, aka. "shiksa goddess", as seen by Karla Kloss, Ivanka Trump & Alona Tal who are all nothing more than marketing tools capable of easily seducing pseudointellectual, suburban trash into thinking that Jews are beautiful white women, but only because Jews have been stealing our own people, repackaging them as Jewish then giving them back to us just like Marc Rowan & Leon Black do with their smoke 'n mirrors accounting that's responsible for siphoning the insurance industry…..

*Don't kid yourselves, this is the hand that rocks the cradle, just sprinkle in some TV producers & sham activists and you have another berating Holocaust Museum, another ADL, more unending Holocaust movies starring Non-Jewish looking actresses, another IHRA or another Bloomberg magazine profiling Jonathan Greenblatt & Marc Rowan harassing UPENN & more Bill Ackman pimping for Donald Trump from a soapbox….****I regard this to be a social ill in need of regulation or eradication..***

When it comes to Jewish terrorism, NEVER look for suicide-bombers & armored tanks; but rather, ALWAYS look for the ugly Jew with the fat checkbook; a divisive, victimology agenda & a white whore on their arm.

∗∗∗David Magerman is a deranged psycho like SHABBOS KASTENBAUM who doesn't understand that his existence is a product of Jewish terrorism & that his wife married him because he doesn't look as horribly Jewish as she does. All I can think of is Steve Martin in The Jerk when Mabel King sat him down to explain to him that he wasn't black. https://youtu.be/8WmItnDR2Xg?si=EblMuVvS3+8vY6Oi

David Magerman is just more proof of the parasitizing effect of Jews in terms of how this Near Eastern cult & "invisible Nation" turns people against their own AND how they in turn don't give a shit about anybody but themselves unless it's a new pawn. He needs to join group therapy with Rachel Dolezal… … https://www.foxnews.com/media/upenn-donor-who-cut-ties-alma-mater-redirects-millions-israeli-universities-instead-unreformable

IN CASE I FORGOT TO MENTION IT & in case my readers failed to notice— 9 times out of 10— REAL ETHNIC Jews from Europe ***look like shit***, kinda like something off of "*The Simpsons*" if they haven't been "whitened-up" enough. By the way, I'm quoting my Jewish best friend's brother who suffers from a "***Jewish Uncle Tom Nazi***" syndrome wherein this "proud Jew" is hung up on ***reinventing*** Jews during this window of time wherein the mainstream has been pounded into submission & stupidity thus allowing him to use white women to have a wife and kids who don't look as Jewish as he and his family…. ***I view their children as the product of a hate crime.***

Scratch the surface of his picket fence life, one will find nothing but lies along and fake relationships with imbeciles & token minorities to whom he can sell his fake narratives of who he really wants to be seen as. This is exactly what makes the hidden motives that drive this skulking, self-loathing shapeshifter dangerous to anyone who understands what makes him tick.

NOTE: The "Jew crying wolf" victimology scam is an age-old, Jewish marketing scheme used to keep their host country in a chokehold, but it's also incorporated into the rhetoric which Jews have pushed for years in order to create the illusion of the "Wandering Palestinians" . ***Fortunately, this "deflect & project" shit has FINALLY worn thin.*** https://youtube.com/shorts/NzdTmpTI1vQ?si=Od9IN8QtRetXvwck

FURTHER NOTE: The Hasid in this video (who *in another lifetime would've been a target of herem along with many Jewish Bolsheviks*) is doing the same thing to the Palestinian woman that student-protesters have been receiving from their "MAGA" puppet of a president. In other words, Trump the Chump is selling Christian, white America down the river to "*reinventive*", Jewish Supremacists just like he did with that overly plasticized piece of pussy he calls daughter #1, but who I just call *Emmy Slattery Trump*.

Note, Ivanka's weakest link will ALWAYS be her "*former, ugly girl syndrome*" which is not only responsible for her fake nose, chin, tits, single-process dye job & seemingly immobile mannequin-like demeanor, but it's also what's responsible in terms of her relinquishing the upper hand to TOTAL kike crooks like the Kushners who've completely overlooked the fact that they're guests living among us as these inappropriate overreachers unconscionably misappropriate white women from the upper echelons of society to re-package as their — *along with her daddy's money who pardoned Charles Kushner!*

…..***AND*** now we're back to the madman Trump who not only needs a complete mental evaluation much like Elon Musk, but who's taken it upon himself to make up his own rules while ***closing loopholes*** in terms of others. Obviously, I'm referring to his unchecked "acquisition" of Greenland AND his executive order to deport the children of two illegal immigrants respectively— (*along with the illegals themselves)*. The latter EO is something I actually agree with being that there's such a thing as immigration offices unless you're Cuban which is the country Trump should be vying for, NOT Greenland!.

https://www.cnn.com/2016/11/22/politics/trump-grandfather-germany-friedrich/index.html

…….But let's face it, Trump hasn't thought his modern-day "*Operation Wetback*" all the way thru being that the U.S. will NEVER be able to get a bunch of fat black & white welfare cases to do the work these South Americans do for us. In fact, I'm surprised that Trump hasn't already considered sending U.S. welfare abusers to Mexico?

!!!!!!! **Just another reason why King Trump belongs in prison for the rest of his life & perhaps his family deported as they maintain a long track record of being troublemakers…**

https://www.nbcboston.com/news/local/massachusetts-immigration-attorney-dhs-parole-termination/3664504/

∗∗∗The U.S. produces lawyers, NOT skilled laborers….. Obviously, Donald Trump doesn't remember the days of the poor houses & why we have things like social programs & unions.

Unfortunately, Trump won't take ANY of the above into consideration any more than he has the fact that his January 6th foot soldiers, *whom he pardoned*, had very intentionally injured police officers which Fox News has suddenly forgotten. https://www.tiktok.com/t/ZP8F7wvQd/

……. **Regardless**, most countries are more logical in that they base a person's citizenship on that of their parents, NOT in the archaic "*born on the soil*" concept which evolved out of Dred Scott. Unfortunately, South American border-jumpers— *who've chosen not to invade more convenient neighboring countries*— have taken advantage of this American loophole AND to the destruction of African Americans it was meant to protect. Meanwhile, no country in their right mind would vilify a person for deporting illegal immigrants, but this is part of white-hate indoctrination, double-standards & the dumbing-down of American society which Trump hates but it got him in the door..

https://www.foxnews.com/politics/migrants-dumped-chicago-shelter-would-destroy-black-communities-residents-say

BOTTOM LINE: A few good points doesn't change the fact that Donald Trump is an unrealistic, old coot who should be getting drunk at his country club bar & complaining to anyone who'll listen, NOT enabling financial criminals **OR** thumbing through iconic celebrities and thinking, "Gee, Gretzky would make a really cool leader for Canada"… Maybe Trump & that jackass Elon Musk can start some sort of Asperger's support group where they can work on Elon's bizarre Nazi salute in front of the Kushners?

LIKEWISE, a person cannot label other Middle Eastern groups as terrorists without first labeling Jews as the originators who've brought on a cascade of counter-terrorists that have gotten gas-lighted by them…….

Instead, Jews deflect by deriding people like the Moors as the original Muslim & Near Eastern encroachers instead of portraying them for what they were— ***the higher culture that brought irrigation, architecture, science, baths etc. ALL of which Jews lived peacefully under and the same goes for the Spanish..*** Then again, what do you expect from people who continue to vilify the Romans who bought them running water even as they brag that they did the same thing for Palestinians…. https://www.nytimes.com/2022/08/30/travel/spain-travel-moorish-arab.html

……. **Make no mistake, Donald Trump is BOTH a traitor to those he's promised to defend & a buffoonish, tough-guy wanna-be who's too stupid to understand that Jewish terrorism is a seduction of fraud that works by getting you to undermine yourself slowly over time & then become beholden to Jewish authority & illusory "wisdom".** https://www.newsweek.com/israel-gave-middle-finger-us-government-1762830

.. ..This is all thanks to Jewish Personality Disorder (JPD) which implements victimology warfare & an air of entitlement on EVERY level of society whether it be pitting underdogs against the mainstream & weaponizing or showboating groups they care nothing about while encouraging others to do the same **OR** by tricking people into caving to the illusion that we're all put on this planet to pander to inappropriate Jews. ***Next***, add media control to this personality…

****

Does everyone remember my Jewish girlfriend's brother who I sometimes talk about? In particular, the story of how he was on his feet pacing & wringing his hands due to the thought of a former classmate of ours as he spurned her for being hideously, Jewish-looking & too much of a poster girl for ugly Jews which left him feeling embarrassed & exposed. Remember how he physically relaxed by slumping back into his chair with a smirk on his face when I told him that she's only a quarter Jewish & raised Christian?

In other words, don't try to piss down my back and tell me it's raining by saying that ***it's just a religion*** especially when you see what you're up against and how Jews will go to extremes to ***fake it till they make it*** which includes stealing from our racial gene pool to then call their own because when you become woke to that you then stop acting like a stupid, childish puppet who decries ***anti-Semitic*** while seeking for a pat on the head from equally stupid people.

Incidentally, this girl really was horribly, Jewish-looking for only a quarter (like a ***Simpsons*** character) **AND** he married a white girl years later while his overbearing & abrasive Jewess of a mother insisted on a Jewish wedding despite knowing how anti-Semitic her son was & how ugly he thought Jews were despite ***me of all people*** trying to widen his view. I regard their children as an act of Jewish terrorism who never should have been born. That makes him a Nazi, a snake in the grass & a parasite while I'm the one who's true to preserving an authentic Jewish identity that's in need of being culled & the white man in need of restitution.

Moral of the story: Don't tell me that race & religion don't go hand in hand, especially with people who lived outside of the internal strife of Protestant versus Catholic and Orthodxy AND who have a totally separate, non-European DNA & their own diseases.. Similarly, the Arab sweep created more ethnic preservation among the Christians & Druze of the Levant.

∗∗See "In Zionist Thinking" & "Genetics"……then ask yourselves why European Jews tried to pretend it's just a religion whilst converting white people. https://en.wikipedia.org/wiki/Origin_of_the_Palestinians

Remember my Ukrainian-BelaRusian friend who asked me why Jews talk one way to us, but then pretend that Jewish is just a religion in front of ignorant Americans? Remember I told her that Jews were effectively saying, "*if you looked like a Jew, you too would pretend it's just a religion even if it meant stealing somebody else's race to call your own then crying wolf at anyone who didn't comply*".

I next told her to imagine 6 million Jews just like that in this country and they control the media. I told my friend's brother the story and it made him flinch and not just because he knew it was true, bur because he knew he wasn't accepted among people of the old world as one of their own… ***Perhaps that fat, unfunny bimbo Amy Schumer needs to hear the truth as the same can be said for her white trash mother trying desperately to be different by pretending to be Jewish.***

The effect is of course ***miseducating*** the masses while ***abusing & vilifying*** rational, decent people *which actually teaches them to hate Jews just as much as it justifies it. At the same time,* Jews are given the greenlight to corrupt ethnic identities in what constitutes not only fraud but a massive state of overreach & counter-assimilation which is exactly why Jews used to be contained in ghettoes.

*Nonetheless****,*** Jews attempt to ***normalize*** their infringements by ***dumbing-down*** the masses with a pushy attitude & a berating big mouth **along with *feigning*** condescension & hurt. This ultimately results with socially-conditioning the mainstream into viewing themselves as ***evil***, ***ignorant*** & ***unworldly*** if they don't go along with Jewish psychosis & nonsense that works against their best interest & cannibalizes themselves.

……This has always been the problem with the so-called Libtards, but it acts on the so-called Rednecks differently as they act only for revenge for the Left while playing the role of ***the defender of the Jew*** just makes them look like the most worthless, bumbling pieces of white trash, white supremacists to ever come down the pike..(*I'm shaking my head now!)*

In reality, the *liberal* simpletons are ***offensive***, ***ignorant*** & ***unsophisticated*** as they labor under an irrational thought process that they're ***not Hitler*** and that they're ***educated*** & ***worldly*** for ***mislabeling*** a Middle Eastern Fringe group– *aka Jews*– as instead Russian or German despite both groups being either a Slavic & Germanic European people—***NOT Semitic.***

…. Next, add insult to injury with Jew-created imbeciles who have the gall to correct or to vilify people who know far more than they do because Jew-panderers always come at you with a bruised ego, NOT logic, facts nor objectivity. ***Even worse, this pseudo-intellectual element believes that they have a story to share or wisdom & insight to impart thanks to some Jewish friend who's been sugar coating "their truth" while lying to these friends their whole life which the goyim don't seem to get.***

FINALLY, hit the Jewish, reset button by enforcing the misbelief that Jews have a genetic birthright to a land they abandoned 2000 years ago ***while stirring up hate speech against Palestinians that's to be viewed as acceptable & factual &*** despite its European founders not wanting to look Jewish which is an extension of them not wanting to embrace a Middle Eastern identity which is the very basis of its ethnic foundations. This goes hand in hand with Jews shoving down everyone's throat the myth that's it's just a religion despite looking totally different **OR** the even greater nonsense that you can convert your ethnicity. ***AGAIN, this is why Jews were contained in ghettoes as there's nothing like racial misappropriation cloaked in DEI…. Leave it to the Jews!***

Unfortunately, Jews have taught White people to eat their own which has brought on a backlash called "***Make America Great Again***". Sadly, a generation of pompous simpletons who drank the Jew Kool-Aid have been promoted in life BOTH by Jews & by mindless, desperate housewives who need to "keep up the Joneses" in terms of ***Making America Slaves to Jews***. Consequently, they now walk thru life— sing themselves through a camera's lens— as "***the hero***" from some ABC afterschool special. ***This is White America's cultural & intellectual mentality and what they were mirroring until the student-protestors decided to end this "invasion of the bodysnatchers".***

Nothing demonstrates the above scenario better than Jews like ***Bill Ackman & Dan Loeb*** who made it clear that people who don't bow to Jewish lies, indoctrination & Supremacy wouldn't get a job at their firms. These are your typical Jews who promote social & professional blackballing and they're furious that white people are no longer making their lives easier by attacking their own which is EXACTLY what the advent of these student-protesters represent.

In the same vein, many foreigners have asked me "*what's wrong with Americans*?" and how come they don't know what Jewish is. This brings me to ***Elon Musk*** & that oddball, Indian guy with the megaphone (Vivek R.) who keeps sermonizing about ***WOKE*** while never realizing that it's a misnomer for Jewish victimology. Elon doesn't fool me. He's a white boy who's worked with a lot of Jews so he knows exactly what I'm talking about no matter how much he hides it, but why should a "*foreigner*" like ***Vivek Ramashwamy*** know? https://thomasgober.com/upenn-amp-harvard-amp-elon-musk-at-auschwitz-role-call/

"***Yes***", I absolutely said ***foreigner……. Not racist, just a reality…***If you're not a Westerner then you're a ***novelty group*** who won't understand certain things & unfortunately you only have three types of white idiots in this country to learn from:

a.) *White Southerners who only know black & white along with the Old Testament****,***

b.) *Hipster trash who blow their savings on a tattoo sleeve and believe that they have something to teach you about the world as opposed to understanding that they're wide-eyed tourists*

C.) White, suburban, social-climbing, pseudo-intellectuals who're just about as culturally enlightening as a Jew-produced, ABC afterschool special which has served as a template for how to dumb down White kids from the '80's to today…. ***Not sure how they ever bought it except for peer pressure…***

There's no amount of money or world travel that can cure either the "hipster" OR the "suburban pseudo-intellectual". If anything, it just serves as proof that there needs to be a cap on the number of Jewish writers in Hollywood, especially with Seth McFarland claiming that 70% of his writers are Jewish. This is gross over-representation, NOT OVERACHIEVERS.

God forbid I tell "***Harold or Kumar"*** that "*they don't know any better*" ***before*** I have a chance to add that "they only have dumbed-down white people to learn from" ***who don't know what other white people in other parts of the world know*** because the Jewish, "defender of humanity" ruse cuts you off from it's makeshift soapbox while suburban trash, white America

— ***ya'know***—*the ones who always love to prove that they're not racist by making white, ethnic jokes about groups they really don't know* **WHILE** *coddling anyone not white as a means of making themselves appear more cosmopolitan than they really are—*

…..***THESE*** are the building blocks of White suburbia who are too stupid to understand that they've been conditioned to in-fight & to prioritize ***everyone NOT*** white thanks to Jewish, not-so-subliminal indoctrination which is a pure reflex to the Jew at this point.

Likewise, there's nothing worse than an assimilated, ***Harold & Kumar*** type with something to prove as they "*inform*" me that they've met a black Jew so I must be wrong. I hate to break it to ***H&K***, but they have no contribution to make in this department **NOR** do they seem to understand that they're pawns & blanks slates to be written upon by divisive Jews like Bill Ackman who no longer want to rely upon having to weaponize black people ever since PLM. In other words, Jews would much rather have this "*new white meat*" who are "upwardly mobile", who they're more likely to breed with & who can be indoctrinated in order to help skew the group perspective.

BOTTOM LINE, the white goyim makes Asians as stupid as themselves while the Jews make them insolent….VERY SAD!!

…….*Redneck may be the New Black*, but they're either too ignorant or too proud to see it as they remain blinded by a revenge agenda which the pseudo-intellectual Leftists had coming to them, but in the end both of them are pawns to an invisible hand that's switching gears as needed— ***Left right left right!*** In reality, what's invisible to them has *always* been clear to me & a lot of other people who don't fall into one of the two trash categories—- *Fox News MAGA* ***OR*** *Facebook libtards that compare border-jumpers to Ellis Island.*

Meanwhile, the Jew in Israel complains about ***white guilt*** being the reason why we defend Palestinians as opposed to an actual conscience that would function the same for anyone. Somehow it's gone beyond everyone's notice that their Jewish accomplices in America *quickly stopped glorifying low-lifes like Rodney King & George Floyd* ***(independent of Trump)*** being that the Jew needs to pervert law enforcement for their own means by making the BPF into their own on-campus IDF. Clearly, Jews don't One to admit that they had previously been working to undermine law & order AND that white guilt is a Jewish tool of the trade which they generate as a means of holding our heads underwater. In other words, if we don't succumb to it we're vilified.

The worst thing you could say to a Jew is "***it was before my time"*** because they've been forcing us all to live in another time just as they encourage highly publicized underdogs to do the same thing hoping it'll take root among the masses… NOTHING PRODUCTIVE has come of this abuse unless you include forcing everyone— especially white Christian kids—- to live in fear which was exactly the goal to begin with.. And you wonder why student protesters are maskers???? But the truth is Jews took off their masks the second black students went PLM as DEI got thrown under the bus??

….. **Consequently**, this is exactly why Jews have taken to seriously kissing some Radicalized, Backwoods Republican ass after vilifying, ridiculing & undermining them for decades— ***much like they have law & order***— by now tapping into the most toxic qualities of these "*traditionalists*" which includes preying upon their need for revenge against the Left. ***It's not much different from what Jews do in the Middle East, just add the arms trade..***

Remember, Jews believe that your enemy's children will grow up to be your enemy which explains the genocide of Palestinian children AND the unrelenting targeting of America's white children. Ergo, how do Jews fail to understand why Jewish children weren't spared in the Holocaust ***especially*** when Jews take white kids— *and adults*— to falsely & insanely re-label as their own thus making them into traitors against their own people & authentic selves— *from Shabbos Kastenbaum to Ivanka Trump!* **This is the underhanded nature of Jewish terrorism which Putin & I both understand, but which Trump the Chump doesn't… Jews love their loopholes whether it be racial theft OR MODCO reinsurance fraud compliments of Leon Black.**

…… ***ALWAYS EXPLOIT WEAKNESSES:*** Exploit the ignorance of Bible-thumping hicks as it relates to their Old Testament, backwoods cognitive dissonance of God's Children ***versus*** the fact that these collectively termed "Rednecks" have absolutely nothing in common with a MENA supremacist group from the ancient world who became Europe's ISIS of the Middle Ages and who're consequently the Nazi Uncle Tom's of today that're easily manipulating these Evangelical, good ole boys into shooting themselves in their own foot being that they're too culturally ill-equipped to see it **NOR** do they understand that the Old Testament isn't Christianity **NOR** do they understand that God's children were & are a well-groomed, Middle Eastern extremist group which no Redneck would want going after white woman & repackaging them as their own because that's ***exactly*** what Jews do and why they were contained in ghettoes for centuries.

…. If that offends Jews, then they can assimilate to us not the other way around.

BOTTOM LINE: Jews steal from their host country, repackage everything as Jewish and then sell it back to the goyim masses in order to make people identify with them OR beholden to them whether it be questionable donations, God's children propaganda, faux Jews like William Shatner who suffers from a divisive, identity crisis AND LASTLY, the supposed, cultural contributions such as baked goods stolen from their host countries that are then given a Jewish label for which there's no restitution to these host countries who Jews are shaking down for restitution from World War II…

…… ***AND*** if you don't go along with this chicanery, Jews badger you as being anti-Semitic… This is the Jewboy's warped version of ***assimilation*** that requires ***correction & regulation.***

……Maybe this one Jewish guy over Quora– ***Marc C.***-— who I can't stand was right in one sense when he said that during their time in Europe & despite a high level of inbreeding, Jews got smart to survive & the rabbis who were typically the most educated were the ones doing most of the breeding…*Who knows*?! Are Europe's Jews an advertisement that more middle easterners and Europeans should be breeding because that's all you're looking at when you see something like Woody Allen & Mark Zuckerberg…. **TRANSLATION**, the face is the race & the coloring is what's compromised.

QUESTION: Are the Kushners willing to share this aforementioned part of their Jewish identity & heritage with their kids which includes the fact that they're not really Jewish & that Jews were contained in ghettoes in order to prevent them from marrying white whores like their mothers who are used as breeders to cleanse them of their ethnic, Jewish features so they don't produce real sandniggers like Charles Kushner??

…… ***Meanwhile***, American children are brainwashed to see themselves as ***evil*** for not going along with this Jew-enforced farce as opposed to understanding what their ancestors had been up against. Words like "*victim*", "*hate–speech*", "*Nazi*", "*racist*" suddenly all reveal themselves as nothing more than terrorizing taunts that are not to be taken seriously…

BUT *that*'s Jewish Pride & it's a whole other level of terrorism than what Palestinians have been enduring because Jewish Terrorism comes cloaked as your friends, classmates, politicians & co-workers.

If you haven't figured it out by now, JPD ultimately creates GREEDY SYCOPHANTS capable of making even a white nationalist into a whipping boy to a group of people who've always been the barometer of racial impurity among Europeans **AND** who typically were considered attractive only if "whitened-up" **OR** if passable as Italians for which they possess only a slight admixture owing to their passage through the Italian peninsula before encroaching upon Central Europe by the Early Middle Ages.

Likewise, White America has been too dumbed-down to see how normalized Jewish overreach has become in our lives for far too long & how it's far more insidious than Sharia Law. This is all part of Jewish personality disorder that refuses to accept that they're guests living among us, but when you're only 2 for 3% of the population then you play the victim to make wrongdoings stick.

Marjorie Taylor Green AND ***Rev. Warnock*** should've heard what came out of the vitriolic mouths of the Jews on Harvard's Ashkelon excavation who ***first*** misappropriated a European heritage that wasn't theirs, then racially segregated themselves from Gulf Jews by dishonestly comparing an imposter Jew who's mother was a Danish convert-whore (used by a hybrid, Ashkenazi Uncle Tom looking to breed out their Jewface kinda like Bruce Paltrow) ***to that*** of imposter Falashas ***without*** acknowledging that neither of them were really Jewish, just proof that Jews parasitize their host country by recruiting lost souls & desperate women. ***More importantly***, this nonsense amounted to nothing more than a skewed perspective & skewed conclusions thanks to intellectually dishonest & skewed data.

….. **But this is just what Jews do, they fracture the solidarity & the authenticity of their host country's identity by trying to enlist them as part of their Jewish Near Eastern identity & getting them to pretend to be part of a defunct nation which has now been resuscitated in a grossly bastardized form…**

… *NOW FOR THE DOUBLE-TALK*, Jews deny blatant ethnic differences whenever it fits their agenda & image of who they want to be, NOT what they are as they work vigorously to "fake it till they make it', meaning Jews want "imposter Ashkenazim" who are Europeans, NOT Semites. This comes completely at the expense of the other 98% whose race they're parasitizing when they're not absconding with the Arabs land under the pretense of a birthright.

BOTTOM LINE: Ashkenazi Jews are by definition NOT a mix of Semitic & European, they're Near Eastern Semitic transplants altogether, ie. Jeff Goldblum…. Anything less like Woody Allen is simply an ADMIXTURE of European blood unless it reaches a totality of European blood at which point it then becomes racial misappropriation as seen by Linda McCartney.

The same thing can be said with African Americans who can be 100% Negroid or a mix just as long as the dominant gene is apparent. In other words, Jews without that Semitic blood are not Jews just like black people without any sub-Saharan African blood are not black.

Finally, a rabid, junkyard Jew invaded my space and attempted to intimidate me by squaring off & telling me "***to shut up"*** me for saying nothing more than Jewish is an ethno-religious group similar to Hinduism in India & that Israel was comparable to Liberia. ***Furthermore, did this Inappropriate Jew even understand the roots of his own rage and how it amounted to a confession of self-loathing, an act of assault & cognitive dissonance of the Ashkenazi Jew and how it lashes out at others. Why should I feel apologetic or beholden to trash like this? Because it has money??! Because they suffered?!? Read my lips: GO FUCK YOURSELVES!!***

https://www.thecrimson.com/article/2025/4/17/Moezidis-rcpl-palestine-divinity-school/

….This is what Jews are really like and I'm sick & tired of stupid white people either apologizing or kissing their ass without seeing how ignorant & self-loathing Jews really are & the extreme they'll go to in order to cover it up. I'm even more disgusted by a Jewed-up Hollywood trying to make Jews look like regular, white polite people OR Jews trying to whiten themselves up by stealing our race and calling it their own OR pretending that it's just a religion….*And lastly,* I'm tired of all of the above giving normal Jews like Bernie Sanders the backlash & Norm Finkelstein the brush-off.

Meanwhile, the grid leader employed by the university who had misrepresented herself as an ethnic Ukrainian— *despite looking like a fat Arab & her daughter like Nikki Blonsky*–- stood by gaping and allowing it to happen as if I were some neo-Nazi who just said "*Hitler, the crazy bastard, should have gotten the job done right!"*

…….*Truthfully, Hitler could have gotten away with it if he hadn't turned on white people whose land he was after to the east & whose race he also kidnapped to raise as German… Why do you think the Ukrainians were originally with Hitler? In other words, they felt the brunt of being squeezed by Manifest Destiny Russians & Jews who try to hold everyone's head underwater with victimology in order to socially condition their egregious acts of overreach without having to actually legislate it…. Vlad Zelensky is the great redeemer & the true, Jewish intellectual defending humanity—NOT Bill Ackman!*

**** The following is Jewish personality disorder*** **& the climate it creates…….. and "YES", the doctor looks like a total Jew!** https://nypost.com/2023/10/23/news/johns-hopkins-doctor-allegedly-bullied-staff-to-match-his-wifes-diagnoses-improperly-removed-bladder-report/

Incidentally, a Malaysian acquaintance on the trip revealed to me that the imposter, Ethiopian Jews suffering from an Uncle Tom complex were ridiculing her for having Asian eyes. I can't imagine how this must have been for her considering how looked down upon these Ethiopian girls would have been in Malaysia & Melanesia being that Obama faced much more discrimination there than in the US. ***Maybe this is why these Falashas pretend to be something that they're not?***

BOTTOM LINE: Deflected, Jewish accountability & a self-centered view of the world is a maddening scam that Jews have been running long before Islam took hold of MENA and nothing proves it more than the tale of escaping with the Pharaoh's gold and hunkering down in the desert for 40 years before attacking a peaceful society & glorifying it with a God-given right…… ***Note***, 40 years is what it takes to prepare for an attack OR to complete a slow-moving coup based on psychological warfare..

****

THE INDISPUTABLE, JEWISH MESSIAH: ***Vlad Zelensky***……..**T**he one Jew other than Bernie Sanders & Henry Morgenthau Sr. who's not just out for the Jew **AND** who has thus far served as money well spent for waging a front line war to defend democracy **AND** the U.S. dollar against Communism & its allies is ***instead*** getting screwed over by a bumbling clown who's treating ***Zelensky*** & the Ukraine like a board game of ***Monopoly***.

-

QUESTION: Why has Trump instead proven himself to be more concerned with helping a terrorist country that's never done anything for us **NOR** are they an ally or a strategic alliance. It's just transcontinental, Jewish cronyism.

https://www.newsweek.com/israel-gave-middle-finger-us-government-1762830

In reality, what Jews are doing is institutional control & mind control and their main weapons are money & white whores, ***such as Ivanka Trump & sock model Karla Kloss***, both of which they repackage either as ***donations*** or as ***Jewish*** in order to use as a form of misleading influence over Americans who've been systematically dumbed-down & mentally-enslaved over the last 40 years by their Jewish-American counterparts who expect our full cooperation in terms of supporting their false reality, ***but Gen Xer's are too proud to admit it & too stupid to see it as they allow themselves to become beholden, apologetic or seeking their approval. The student-protesters shattered this mental hold!***

THE JEWISH SCHTICK: Compel the other 98% to over empathize & over identify with the Jewish, self-induced persecution complex while bullying them with victimology. In order to make this stick, put the dumbest people in charge then glorify them while vilifying anyone who takes offense to Jewish racial misappropriation, misrepresentation & overreach cloaked in victimology. Conversely, all rational people are now labeled as "*maladjusted, social discontents*" & perhaps they're being made that way for good reason. The "*Walmart Republicans*" have unconvincingly torn a page out of this playbook.

In other words, **Make America Stupid Again** which is where we are right now by trying to uphold the Jewish, persecution complex…. THIS is why Jews were kept in ghettos and it's directly connected with them vying for institutional control & siphoning money to facilitate it while racially misappropriating white people whose culture is obviously Christian by re-packaging them & everything not Jewish with a Jewish label. In order to do this, you have to monopolize institutions like the media before you can monopolize the people's minds.

TIME TO TAKE OFF THE ROSE-TINTED GLASSES & see what our ancestors knew because every time somebody wrongly coddles the Jew **OR** attacks their own people for saying ***truthful*** not ***racist*** things **OR** allows themselves to be bullied by Jewish, victimology simply for not going along with nonsense & contradictions fueled by Jewish supremacy & insecurities— *it's proof of Jewish apartheid in the US!…* ***Social-conditioning tactics*** have clearly failed to take full-effect, which is why Jews are now trying to ***legislate false definitions*** of anti-Semitism which give the upper hand & special treatment to a group who are parasitizing their host country.

Meanwhile, this unfit & undignified, angry old codger— *Trump the Chump*— continues to act out a BIZARRE, fantasy trip thanks to a bunch of low-grade, "Archie Bunkers" & Evangelical Rednecks with the latter being an ongoing problem for this country that's been allowed to stagnate much like Muslim fundamentalists have elsewhere.

Let's face it, even Walmart Republicans could never have objected to a law that forbade insurrectionists from running for presidency ***unless*** there was an immediate motivation to do so. In this case, it was to keep Trump in office so that he could crack down on the ***lunatic, alt-Left fringe.*** In reality, he simply encouraged a ***lunatic, alt-Right fringe*** while installing an oligarchy.

Regardless, I can't think of any one who belongs in front of a televised, firing squad more than Donald Trump unless it's….

* Elon Musk & Ed R. Martin Jr.

* **OR** Jewish corporate terrorists & fake activists like Marc Rowan, Bill Ackman & Johnathan Greenblatt

*** OR the alt-left, lunatic fringe who's become NORMALIZED thanks to the Jewish weaponization of any & every underdog that vilifies me for agreeing with Trump's "M" or "F" on a passport which is reasonable in terms of medical transparency & national security. Assimilate & protect LGBQ, not pander to delusions….. Don't let the "Q" become the makers of your own backlash.**

∗OR the Evangelical "family values" squad like ***Lindsey "Lady G" Graham*** who fuels the alt-left dummies thanks to a whole different level of crazy .

……***UNLESS***, it's the CNN Jews who've fanned the BLM flames in the first place AND pretty much all of Fox News except for Harris Faulkner! *Why uplift George Floyd & Michael Brown of Missouri, but not native Palestinians?*

BUT this is simply what happens when you pair a corporate criminal with vengeful, belligerent rednecks who don't understand that they're picking fights with our own allies—*from Zelensky to the student-protestors*— while a Jew who's only out for himself, like Bill "the Shill" Ackman, breathes a sigh of relief.

NEXT STEP: Role-reverse or "*deflect & project*" all rational people as being insurrectionists, **i.e.**, *revoking the security details for Fauci.* ***In other words***, hand the asylum keys to its patients…..Welcome to the new "torch-wielding" Confederacy— the HONKY-TONK JEW S.A. wherein Marc Rowan is hoping to be the new Judah P. Benjamin!

Speaking of the Civil War, it's pretty shameful that during the Reconstruction era we didn't displace, purge or overwhelm with immigrants the hillbilly trash personified by Lindsey Graham, Russell Fry & Tom Cotton who actually dare to see themselves as serving us as opposed to selling us out & being too stupid or too greedy to see it…

BUT THEN AGAIN, no normal white country would ever accept such a mentally-ill or dangerously low-class mentality that's too ignorant or too inbred to understand how they're working against their own best interests since these hicks just don't seem to get that when ***ya' Jewz, ya' loze.***

In other words, Don the Con & his inbred, culturally-illiterate, White Trash followers ***aren't*** taking back the country— ***that was the student protesters!*** They're in fact whoring us out to Jewish Supremacists who get us all to shoot ourselves in the foot like they did to Donald Trump at Ivanka's wedding. In fact, what forward-thinking Rednecks are doing now isn't much different than fighting for an economy based on slavery in what amounted to a rich man's war. The irony in all this is that people come to America to escape primitive leaders such as Lindsey & Tom who were expunged from Europe in another time **OR** pushed westward by Abraham Lincoln who sent the Mormon Problem to Utah.

BOTTOM LINE: The underhanded nature of Jewish terrorism unbalances societies by stirring up the mud. This includes glorifying unworthy undergrounds, show-boating imbeciles & pitting foreigners against the mainstream in order to undermine & irrationally vilify moderates who get driven underground as everyone radicalizes & perhaps even they begin to drift.

Over time, this effectively makes a reasonable conversation impossible being that two polarized extremes– *steeped in identity politics*— have been pitted against each other with one being easier to indoctrinate & more likely to dominate society. In other words, Trump's oldster rage is a toxic backlash to what underhanded, Jewish Terrorism slowly brought on over time, but its path is convoluted and Trump is either too blinded by ego, stupidity or greedy to see it. After all, he's whored out his own daughter to it ***AND*** it's what's helped to put him in power following PLM.

Is it any wonder why funding to NPR is being cut? https://www.npr.org/2024/07/01/nx-s1-5020140/2-u-s-military-members-discuss-why-they-resigned-over-the-war-in-gaza

…….. ***Until PLM***, the more likely of the dumbed-downed, polarized extremes destined to dominate had ALWAYS been the Jew-created, alt-Left agenda which came steeped in oppressive, Jewish victimology & the satirical "*overcompensating, nice guy*" competitions it's induced such as having to pretend that a big, ugly guy in a dress is a woman or else be called ***Hitler***. In other words, when it comes to left-wing coups— "*Cherchez la Jew*".

…..***But post-BLM***, Jews quickly realized it'd have to switch up pawns by making Rednecks into "the New Black", Asians into "the other white meat" & all while throwing blacks under the bus along with the young intelligentsia. *Nonetheless,* it still fits with the provable, Jewish modus operandi of "*right-wing supremacy cloaked in a liberal wrapper*" just as Bill Ackman has demonstrated.

**** FACEBOOK IS FOR IDIOTS, BUT QUORA IS A TRUE CROSS-SECTION***

Ghetto Reinstitutionalization: **Read what's in red print below**… After you read it, you'll understand that Jews are a dangerous movement in need of regulation. What's so frightening about them is that they use a tone of voice that's intended to assuage or normalize overthrow & overreach. This is no different with Marc Rowan, Bill Ackman & Johnathan Greenblatt.

The below Boston-based, Jewish terrorist of Quora blocked me for flipping the tables on his nonsense by having the audacity to point out that Jews were and are a Middle Eastern splinter group who invaded Europe in the Middle Ages then tried to re-package European women as Jewish just before being contained for the self-preservation of both people. After all, how would Jews like it if some fundamentalist group of middle easterners invaded their country and took their women to call their own simply by applying some meaningless & bogus religious law to supposedly legitimize this sham?

His below response is to some asinine question on conversion being that Jews will only answer questions from ***idiots*** who they can misguide & uplift **OR** hotheads who they can vilify & skew. The answer to this question personifies the parasitizing effect that Jews have on their host countries. If it weren't for that, they'd be great citizens like the Druze are in Israel who're separate but loyal and never look to undermine like Jews do with their dirty tricks & fake nice guy bullshit.

MARC: To be honest with you, I think we should take up proselytizing again. The basic problem with the Abrahamic gentiles-Christians and Muslims, hereinafter "Abrahamides"— is that they both claim to be our successor. Our refusal to be succeeded implicitly casts doubt on the validity of both faiths, a fact they've been dismally aware of since their very inceptions. As a result, the default state for both religions is antisemitism. They can't help it. It is simply baked into the very foundations of their culture.[1]

URSULA: Jews are an ethno-religious group who have no business proselytizing. No other religion views themselves as part of a nation as they seek to fracture the nature of their host country's collective identity & loyalty. Even worse is when people pretend that Jewish is simply a religion.

Second, Muslims and Christians never claim to be Jewish successors. Only Evangelicals are stupid enough to confuse the Old Testament with Christianity which is the New Testament. If there's anyone who should be "casting doubt on the validity of the faith" it should be anyone who realizes how much Jews have ripped off pre-Islamic Semites (ie., the 10 commandments). Meanwhile, Muslims just see *Jewish prophets as being part of a "for all mankind" continuum whereas Christianity sees Jesus as a divergent path that focused on a god of love, inclusivity & forgiveness, NOT a God of group supremacy or a god of wrath.*

Likewise, neither Christians nor Muslims abide by the bizarre concept of recruiting foreign people for their historical, "ancestral" Homeland that should be inhabited by Middle Easterners of various shades.

Lastly, this despicable sufferer of JPD further writes "as a result, the default state for both religions is anti-Semitism", but the truth is the "default state" of any Jew is VICTIMOLOGY in order to dodge accountability which is why so many people are disgusted by Jews and have long been familiar with their unique brand of terrorism.

More importantly, he seems to forget that all of these Muslims are largely Semitic. Furthermore, the only thing that's baked into the foundations of the Jewish culture is Jewish victimology which they've now baked into the foundations of western society which is now destroying it. This is ALL classic Jewish, "deflect & project". IN OTHER WORDS, they project everything they're most guilty of onto everyone else.. This is a sickness and it belongs in a ghetto..

MARC: After the disaster of 70 AD we swore off proselytizing, but as I said, maybe it's time to take it up again. It certainly can't be argued that refraining from *proselytizing has been a particularly elective strategy, not-getting-murdered-by-a-Cossack-wise. I don't see much point in proselytizing the Muslims-those guys are cray-cray-but I happen to like Christians and since they are knee-deep in an existential act of self-destruction, 2 we'd be doing them a favor by introducing them to the Jewish lifestyle.*

URSULA: Again, this is why Jews were kept in ghettoes in the first place. The Cossacks kept them in line, NOT anti-Semitic— anti-subversive. Jews want the Arabs land and the white man's woman and they've dumbed down the white man & created so much strife between Christians and the Muslim world that they're ready to swoop in for the kill especially with an imbecile for a president who's backed by Evangelical trash.

Quora is a shining example of how well-employed, obedient imbeciles & Jewish accomplices re-package valid complaints as "hate speech" in order to skew the group perspective into becoming the new "facts". The end result with the white man is two-fold: pseudo-intellectual, yuppie sycophants & degraded, tattoo-covered hipster trash BOTH of whom see themselves as being people to be reckoned with instead of the trash that they really are…… On the other hand, the Jew stays the same & shakes its head that the goyim is experiencing an existential crisis which they brought on…

MARC: Another possibility—proselytize the Chinese. They are certainly simpatico, share our obsession with education and learning, and have a practical approach to life very similar to our own. Weaning them off pork is going to be a problem, but the Abrahamide world might be a bit less eager to go off on another pogrom or crusade if we had a billion Chinese Jews at our backs.

URSULA: Like I said, Jews are tired of weaponizing blacks and now look towards Asians as the "other white meat". In other words, people who're upwardly mobile, more likely to breed with who can serve as accomplices in their victimology & who're completely ignorant of what Jews are with only illegitimate anomalies to look upon in their own countries. This is how Jews pit people against each other and bastardize people's cultures..

MARC: Both Western political extremes are deeply committed to self-destruction. The Left has embraced gender dysphoria and is actively encouraging its children to geld themselves. The Right is simply murdering its pregnant women outright by denying them healthcare. Birth rates are shockingly low across the West and a demographic disaster looms on the horizon. Look up John Calhoun's Universe 25 experiments. We are deep into the behavioral sink.

URSULA: My readers will understand that everything described by this Jewish Terrorist— Who Wants To Watch Us Burn— is nothing more than a checklist of the destruction left in the wake of Jewish victimology after years of pitting people against each other and leaving nothing but two polarized extremes. They created the alt-left and when it backfired on October 7th 2023 Jews had to quickly switch gears to the alt-right mud that had risen to the top post 2000 thanks to Jews creating the conditions for social unrest to ensue years ago in the first place. LASTLY, we're not in the "behavioral sink", but rather the "Jewish sinkhole", Marc Clamage, you dirty Jew!

MARC: Meanwhile, the birthright in Israel is quite robust..

Ursula: It's a Nazi state that's fucked everyone else up, so I'm not surprised…

*****************WRAPPING IT UP!!!*******************

In an immigrant country like the U.S.— *unlike the more homogeneous "old country"*— these all of the "*selective information*", faux humanitarian & divisive tactics become like a kid in a candy store. If one were to take off the rose-tinted glasses, they'd see that Jewish victimology comes down to ***suppressing facts*** in order to ***oppress the people*** which in turn gives the Jewish minority the ***upper hand*** & a more ***palatable but false reality to revel in.*** The only caveat is if one plays the victim for long enough then it becomes a self-fulfilling prophecy—*makers of your own backlash*— which Jews then recycle into more victimology for the next generation. ***UGH***!!!!!

NOTE: This minority conversion theory is admittedly slow-moving & supposedly promotes ***critical thinking,*** but in the hands of Jews it has the opposite effect as it's used to induce sham, popularity contests & revenge agendas cloaked in activism & altruism. This is when facts are then substituted with ***pandering to other peo***ple's ***insecurities***, ***disinformation*** & ***overreach*** COMPLIMENTS of Jews who want to portray themselves as the forward-thinking, persecuted intellectual OR to hell w/you all.

NEWSFLASH: MIT linguistics professor Michel DeGraff teaches that Jews have no connection to Israel and that Israeli textbooks "weaponize trauma of the Holocaust." Should MIT remove him from classroom teaching?

*   **ELIMINATING JEWISH DOUBLE–STANDARDS**:   If you were to remove **Michel DeGraff** from teaching, then you'd have to go back into the recent past— *not to mention the present*-— and remove every inappropriate Jew I've ever experienced who's guilty of slipping their own agenda into the classroom which includes indoctrination, one-sided rhetoric, white guilt shaming tactics, vilification of our ancestors & total misrepresentation of who and what they are whether it be in the classroom, in school administration OR on television.

…… Jew spread disinformation & work overtime at undermining the mainstream Christian culture while socially-conditioning innocent children to accept it OR be ridiculed as dummies & shunned for being Hitler if they don't..

*   *There's no freedom of speech or sanity in this*, just Jewish loudmouths along with Jewish DEI— *aka "foreigners & imbeciles"* — who allow Jews to skew rational facts for no other reason then foreigners & imbeciles don't know any better. Incidentally, if you're short on any of the above then just import more OR create & uplift more.

*   ***YET*** no one expected a right-wing backlash????.....***especially*** when one considers that cowardly moderates tend to go towards a more "bend over backwards" diplomatic left…. *Goys are sheep and Jews on every level of society figured that out a long time ago. The secret is get 'em while they're young & vilify the old.*

*   **NOT APPLES & ORANGES:**   *Let's not forget that MIT was developing weapons for the Israeli army… But this is just the sort of stunt that the vitriolic, self-involved, carping Jew pulls!.*

Question in The Jewish Voice Below Answered by Shayn M.:   Note how Jews PROJECT their own persecution complex onto others. Also note how they first DEFLECT what they're most guilty of onto others as well…. *Deflect & project ..SO PREDICTABLE!!… Now Trump's doing it, too.*

The BELOW text is a clear display of Jewish terrorism regarding Michel DeGraff. Obviously, I'm censored on the Jewish Voice being that anything factual is considered to "anti-Semitic", yet they don't mind showboating simpletons & hotheads who they can easily shoot down. These are the tools of the sleazy, Jewish toolbelt…… I especially love how the Jew who has always been defined by a carping, persecution complex NOT ONLY projects it upon rational people like Michel DeGraff, but they vilify him in the process.

But although I consider his views on my people uninformed, antisemitic drivel, I see no reason to boot the guy from his job.

Why give him a persecution complex? Let the schmuck stick to the subject he is qualified to teach.

If he were teaching history, religious studies, or Political Science, there would be no excuse for this kind of easily falsified, opinionated garbage and sacking him would be quite appropriate but his personal opinions do not necessarily disqualify him from teaching in the unrelated area of linguistics.

I wouldn't want to study with someone like this and would prefer not to take his courses but that should be my choice, not a university policy.

****

In conclusion, ***Ford, Firestone, Edison & FDR would roll over in their graves if they were to witness the dumbing of the white man that's resulted in today's Redneck Jew.S.A……***I truly hope that Tom Gober's attorney network from Mississippi & Alabama agree… I know my old neighbor who was a true blue Carolina boy, head of internal medicine at MCV & who wanted to recruit Fauci in the '80's, he would've agreed.

Likewise, he also believed that abortion needed to be upheld at all costs being that he was a medical doctor who had seen the worst that can happen when it isn't NOR was he about to listen to ignorant, religious trash serve as an "*expert opinion*"— ***ESPECIALLY*** a hoodwinking one wearing a long, black robe & holding a gavel while belonging to a religious cult & adopting foreign children to indoctrinate… THAT is a dangerous movement & a coup.

I'm ending this on apologies to Jewish Representatives Raskin & Goldman as well as to Senator Blumenthal who've all made their feelings known & plan to fight the social evil known as Donald Trump… I like to think that I come with a constructive *sword* being that *peace* in this context only serves as opium for the masses & Trump is giving us enough of that.
